Focus on - Public Sector

In June 2023 there were 5.87 million people employed across the public sector in England. This was an increase of 36,000 more than there were employed in the sector in March 2023 on the previous quarter. There were 3.67 million employed in central government in June 2023. This was an increase of 30,000 from March 2023. The NHS employed 1.96 million people in June 2023. This was an increase 21,000 whilst compared with March 2023. There were an estimated 2 million local government employees in June 2023.

UK employers continue to have hard-to-fill vacancies

Figure 6: Employers with hard-to-fill vacancies (%)

Base: autumn 2023, all employers (total: n=2,004).

The public sector is responsible for providing all public services in the UK. These services include education, emergency services, healthcare, housing, refuse collection, security, social care, and tax collection. Hard to fill vacancies are a key issue in the public sector with around 41% of public sector employers reporting they have hard to fill vacancies. Intention to recruit in the public sector in the UK is highest than across all sectors at 85%.

The Public Sector in East Sussex:

In 2022 there were approximately 35,184 people employed in the public sector across East Sussex.

Eastbourne - 10,112

Hastings - 8,551

Lewes - 7,782

Rother - 2,984

Wealden - 5,755

Careers in the Public Sector:

- **Healthcare** (e.g. paramedic, nurse, administrator, health service manager)
- **Law enforcement and security** (e.g. armed forces, fire service or the police)
- **Social care** (e.g. social workers, carers, community development worker)
- **Teacher training and education** (primary, secondary, or a higher education teacher)

Seasonal work

Businesses often need extra help in the build up to Christmas and other busy times of year such as the summer months and shoulder seasons (Spring and Autumn). Seasonal work can offer a wide range of benefits for your future.

Benefits of seasonal work:

- Learn new skills
- Get work experience to build your CV
- Try out different jobs and sectors
- Try a different part of a company you already work for
- Decide if you are ready to go back to work after time off
- Earn some extra money

Check out the National Careers Service website for more information on finding festive jobs - [Seasonal work advice | National Careers Service](#)

Education and Training News

Sussex Chamber of Commerce are working with East Sussex County Council and other partners to create a retrofit Skills Plan for the East Sussex area.

Over the next decade, we will see significantly increased demand from the public sector and its partners for 'retrofitting' housing and other buildings in East Sussex. To prepare for this, it is crucial that we understand what our local employers, and those working in the supply chain with a specific focus on those in the construction sector are doing to improve their retrofit skills. To allow us to support them effectively through the skills plan we are developing.

We are seeking responses to the following survey questions by the 3rd December and can offer a £75 voucher to pay for or towards a retrofit related course at the East Sussex College Group Green Growth Hub to the first 150 respondents to this survey*.

In addition, we are exploring ways of offering subsidised learning to those who express an interest in the wider raft of available courses in East Sussex.

***The course needs to be booked Jan-March 2024.**
