PRIDE

**Pride Month
June 2024**

What is Pride Month?

Pride Month is a special time when people all around the world **celebrate the LGBTQ+ community**. It is a month dedicated to recognizing and honoring the **diversity of sexual orientations and gender identities**. During Pride Month, there are events, parades, and activities that promote equality, acceptance, and understanding. It's a time when people come together to show support and love for everyone, regardless of who they love or how they identify themselves. **It's all about spreading kindness, respect, and celebrating the unique qualities that make each person special.**

All Different, All Wonderful

Things to remember:

- Everyone should feel like they can be themselves.
- Everyone should be allowed to be proud of who they are.
- Everyone deserves to be treated with respect.

Out of School Achievements

**WE ARE
PROUD**

Congratulations to Belle C and her team at Dynasty Reign All Stars Cheerleading Team from Hastings. They came 4th in the All-Star finals in Orlando, Florida – a fantastic achievement showing that hard work and determination pays off. Well done, Belle.

Congratulations to Isla H and Indie H who competed in the YDL (youth development league) on Sunday 19th May at Mile End in East London. It was a scorching hot day for the athletes on the track but they were all fantastic. The girls both achieved PB's and ran in multiple events including sprints, field events and team relay. Rosie Ferguson also competed in track events.

A reminder for all students to send in their out of school successes to office@ryecollege.co.uk - we love to share your achievements!

Reminder – Firefighting equipment

- Firefighting equipment is there to save lives
- **Interfering with firefighting equipment is a criminal offence**
- We've had some damage outside the science prep room – this is not acceptable
