

Provider Access Statement

As appended to the College Careers Policy.

This statement sets out the college’s arrangements for managing the access of providers to students at the college for the purpose of giving them information about the provider’s education or training offer. This complies with the academy’s legal obligations under Section 42B of the Education Act 1997.

Student Entitlement

All students in Years 8 to 11 are entitled to:

- Find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- Understand how to make applications for the full range of academic and technical courses.

Management of Provider Access Requests

A provider wishing to request access should contact Donna Starkey, Director of Life Education, at the college via office@ryecollege.co.uk.

Opportunities for Access

If you would like to come to the college, please speak to our Director of Life Education to identify the most appropriate opportunity for you. Those listed above are not exclusive and we can be flexible in our approach. The contribution that visiting professionals make expanding our students' knowledge of the opportunities available to them in the world of work is invaluable. We would like to do everything possible to raise the aspirations of our students.

Premises and Facilities

The college will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The college will also make available audio-visual and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Director of Life Education or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Office which forms part of the college library. The Careers Office is available to all students at lunch and break times.
