Dear family,

I am writing to ask for your views on how your child is supported at Rye College with their special education needs.

Your views are extremely valuable and will help us plan the best support.

To start this process, I need to know what you think about how we support your child. Then I would get in touch with you again to arrange a telephone call or meeting to discuss this in more detail.

Your name and the best way we can contact you ...

.....  
.....

How would you rate the support that your child receives at our school?

Outstanding / good / ok / poor / other, please describe ...

.....  
.....

What do you think is the most useful support that your child receives in school?

.....  
.....

What do you think could improve the support we offer?

.....  
.....

Is there anything you would like to know more about?

.....  
.....

Below is a link to the same questions which you can complete on line, if that is preferable.
