Students on the train

- ▶ The following comments were made by a member of the public - this is not how we expect students representing Rye College to behave.
- ▶ Students surrounded the doors, giving people no time or space to get off and charged on before people had finished leaving
- ▶ People with physical limitations need time and space to be able to get on and off trains safely and without the risk of falling and harming themselves
- ▶ People need to be allowed to sit, (especially where there are specially marked priority seats) in order that they don't tire or even fall when the train is moving.
- ▶ Students standing in the gangway make access difficult and make no effort to move to make space for us to get past.
- ▶ Collective presence and selfishness made this journey difficult and dangerous for one person with a disability and could easily have done so for others.
- ▶ Remember our values - especially 'We are KIND'

**WE ARE
KIND**

Road safety - Sports Centre Car Park

- ▶ **The following comments were made by a member of the public:**
- ▶ The car park is now very busy as students leave school, as the Rye Primary finish time is now 3:15pm
- ▶ It has become very dangerous in the car park as there are a lot more vehicle movements in a short time
- ▶ It seems that the older children from Rye College have lost all road sense as they have a total disregard for reversing and moving cars
- ▶ Students are using the road behind the parking spaces and exit as a short cut, rather than using the path by the swimming pool
- ▶ There was one child who came out fast between two parked cars and out into the road on a scooter, straight in front of moving car. It was lucky for him the car was barely moving and was able to stop in time!
- ▶ It's only going to be a matter of time before someone gets seriously hurt, or worse!
- ▶ **This is not how we expect students representing Rye College to behave**
- ▶ **Last year, students from year 7 and 10 watched performances from the Road Safety Partnership. We have booked these again for later this term**

**WE ARE
PROUD**

**WE ARE
EMPLOYABLE**
