

## Key Stage 1 Spellings: Term 6 Week 4

At Rye Community Primary School, we use the Letters and Sounds programme to teach phonics throughout EYFS and Year 1. This is supported by the Phonics Play resources which you are able to access from home as part of our school subscription. We particularly encourage you to use these if your child needs to self-isolate but is well enough to work.

To enable you to take advantage of this, log-in details will be sent on ClassDojo.

As the children complete Letters and Sounds in Year 2, they progress on to the No-Nonsense Spelling Programme which continues throughout the primary school. Spelling words have been selected to support the phonics and spelling rules taught during the week, as well as reinforce tricky words.
