Table Tennis is perfect For children of all abilities

Children will be warmly welcomed by our Table Tennis England Coach. Every session is great fun consisting of a variety of fun and skills activities.

It'll be great fun!

The focus is on FUN. Children will quickly learn to love the great game of table tennis.

Once signed up children will be able to earn certificates to reward attendance as well as take part in our popular, structured skills awards.

Learn new skills

During the sessions, the children will learn all the basics necessary to enjoy a great game of table tennis... keeping active, socialising, developing hand/eye coordination as well as core skills, and having a great time.

Each child's progress is monitored with our skills awards and we provide continuous development year after year.

As the children develop they are offered access to higher level sessions out of school.

Rye Community Primary

Tuesdays - 3.20pm to 4.30pm
