3rd September 2020

Dear Parents and carers,

Thank you for your support today with the new drop off and picking up arrangements. We were really appreciative of the kind feedback we received from parents and the understanding that today was the first time we had implemented our COVID secure drop off and pick up arrangements for all children returning to school. However, in order to make things run even more efficiently tomorrow we would ask you to make yourselves familiar with the following map and instructions.

When dropping children off in the mornings please "drop and go", if you are waiting on the playground it increases congestion and stops the flow of parents.

When collecting your child please only arrive at your allotted time and when asked to proceed onto the playground, could you please ensure that you stand in your allocated area. Again, please "collect and go".

Our teachers will also ensure that they are out promptly at the end of the day, allowing you to collect your child at the correct time!

Once again thank you for your patience and support in these uncharted times which we are navigating through together.

Best wishes
 Miss K Martin
 Head of School
