29th April 2022

Dear Parents and Carers,

I'm pleased to announce that **Model making Club** will be starting this term for children in Years 5 & 6.

Design and technology and making models is a wonderful opportunity for children to express themselves and develop their imagination, as well as their motor skills and coordination. It is also a great way to meet new friends through being part of a club!

This club will start on Tuesday 10th May and will run through to Term 6. The last session will be Tuesday 12th July.

The club will run from 3:00pm – 4:00pm. There is only space for **12 children** and these will be allocated on a first come, first served basis.

If your child is interested in attending the club, please return the permission slip below to the school office, **by Thursday 5th May (at the very latest).**

I'm really looking forward to being creative!

Kind regards,

Mr Thomas (Sharks Class Teacher)
