Dear Parent/Carer,

We are pleased to inform you that your child has been chosen to attend our new Homework Club, this will be run by teachers to help improve your child's engagement with homework.

By signing the agreement below you are committing to a space at the club for two terms for your child – Term 6 and then Term 1 of the new academic year in September.

Places are limited to 15 so please only agree to your child's space if you are committed to sending them, otherwise the space can be offered to another child within the school.

To help fit in with your family schedule, not only do we have 4 days available, we are also offering spaces for siblings, as we do understand, from parental feedback, that it can be difficult having two separate collection times.

Homework club will take place between 3:00pm - 4:00pm and will commence, week beginning 14th June 2021.

We hope you will take advantage of this excellent opportunity.

Kind regards

Miss Kelly Martin
