

--

When we eat food we \_\_\_\_\_  
\_\_\_\_\_

What happens to the food in our body after we take a bite is called \_\_\_\_\_  
\_\_\_\_\_

The following parts of the body all help to digest food: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

This is how it all works. First, \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Your body needs healthy food because \_\_\_\_\_  
\_\_\_\_\_
