# NEWSPAPER REPORT

- Before we add more detail to our newspaper report, we are going to explore some of the creatures that live in Wildwoods.
- Then, we want you to ‘interview’ them by asking good 5W questions about the posters, soldiers and Queen Sychorax.
- Make a list of questions you can ask.

## NEWSPAPER REPORT

On the next few slides is some information about creatures who live in Wildwoods.

You may have to zoom in on your screens to read the information.

You can make up your own magical creatures too for the task.

# NEWSPAPER REPORTS

- Your task is to interview a creature about the Iron Warriors and the posters. Think about 5Ws.
- We would love for you to really use your imagination. You can record yourself, you can dress up, draw or write about your interviews and what the creatures told you.
- You can write down or record the questions and the answers.
- Make sure to upload your work to your portfolio.
- Enjoy!
