

Can I explain how the Romans have influenced our lives today?

-describe things that the Romans invented or introduced today.

-Give reasons for your opinion

Challenge: Can I identify what life would've been like if the Romans had never invaded?

Investigate all the inventions and things that the Romans introduced.

Invaders and Settlers: Romans

Learning Objective:

To know how the Romans have influenced our lives today

Discuss some of these Roman inventions.

- Were they introduced by the Romans or not?

Roads

Plumbing

Concrete

Postal service

Apartments

Public baths

Underfloor heating

Reading & writing

Calendar

Year 3

Use the additional slides to help you.

 Choose **four** of these pictures, and describe how each one represents something that the Romans invented or introduced into Britain.

 Roads	 Postal service	 Underfloor heating	 Plumbing	 Concrete
 Apartments	 Public baths	 Vegetables	 Calendar	 Reading & writing

Year 4

Use the additional slides to help you.

Describe how each of these pictures represents something that the Romans invented or introduced into Britain, **and** how we still use them today.

Roads

Postal service

Concrete

Apartments

Evaluating the importance of Inventions

- Look at the Invention cards
- Put them in order of importance

Why did you choose that particular invention as the most/least important?

- Give your opinion as a sentence
- I chose the _____ as the most important invention/introduction because
- I chose the _____ as the least important invention/introduction because

Extension

Decide what you think are the three most important things that the Romans invented or introduced to Britain. Write a reply to Emperor Honorius's farewell letter, explaining how they affect you and everyone else in the modern world. You could also describe how these inventions have since been developed, adapted or improved.

DEAR EMPEROR HONORIOUS,
