# WRITING A NEWSPAPER REPORT

- You should have chosen a subject and planned your work
- There is a checklist for you to use on the last page
- Use all the skills and knowledge from the last two weeks to write your own report.
- You have two days to write it and to check it through
- You can, if you like, use the newspaper template in PurpleMash (English, 2Publish Plus) to type up and present your work.
- You can, if you like, use a little bit of space for your advert from Wednesday.
