

Gods Fact Poster

I can understand what religious beliefs the Romans had and know about some of the gods and goddesses that they worshipped.

Use the facts you have learnt from the **Lesson Presentation** and through playing the **Match Up Gods Pairs Game** to create an information poster about one of the gods and goddesses. You should also use books or the Internet to find extra information. Write the name of your god in the box in the middle and draw a picture of them. Write facts in the boxes either side of the picture.
