

Varied Fluency

Step 8: Rounding Numbers

National Curriculum Objectives:

Mathematics Year 6: (6N4) [Round any whole number to a required degree of accuracy](#)

Differentiation:

Developing Questions to support rounding numbers up to and within 10,000,000 to the nearest 1,000,000. Numerals only with some pictorial representations.

Expected Questions to support rounding numbers up to and within 10,000,000 to the nearest 10,000, 100,000 and 1,000,000. Numbers represented as numerals and words with some pictorial representations.

Greater Depth Questions to support rounding numbers up to and within 10,000,000 to the nearest 1,000, 10,000, 100,000 and 1,000,000. Numbers represented as numerals, words and some use of Roman Numerals.
