

# Adding Suffixes Beginning with Vowel Letters

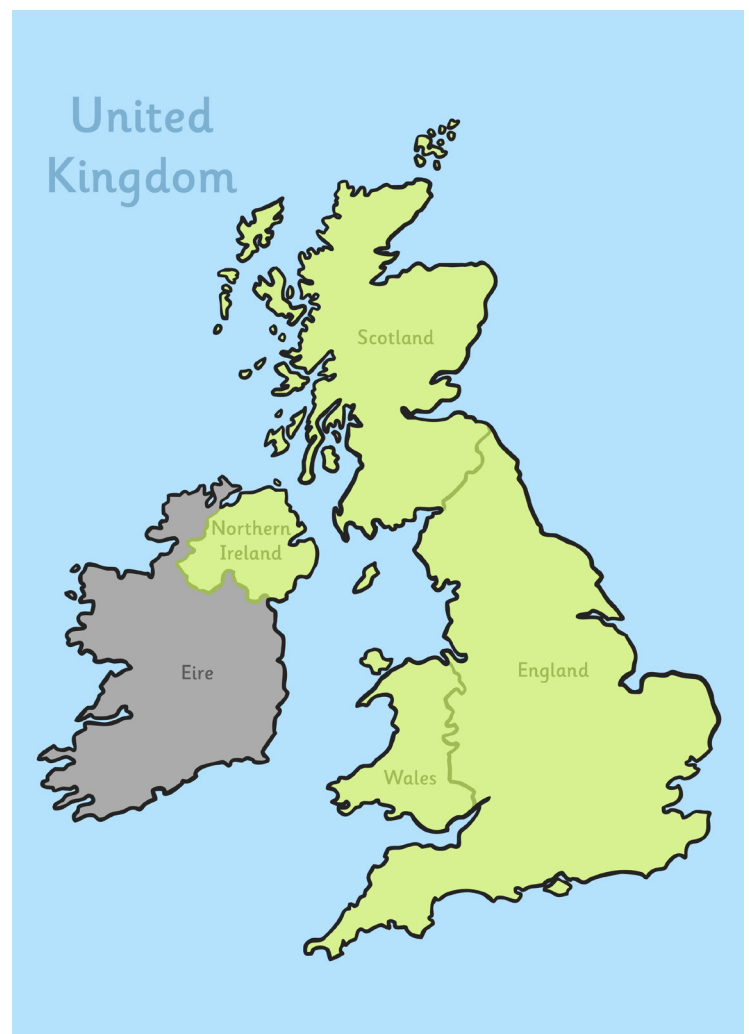

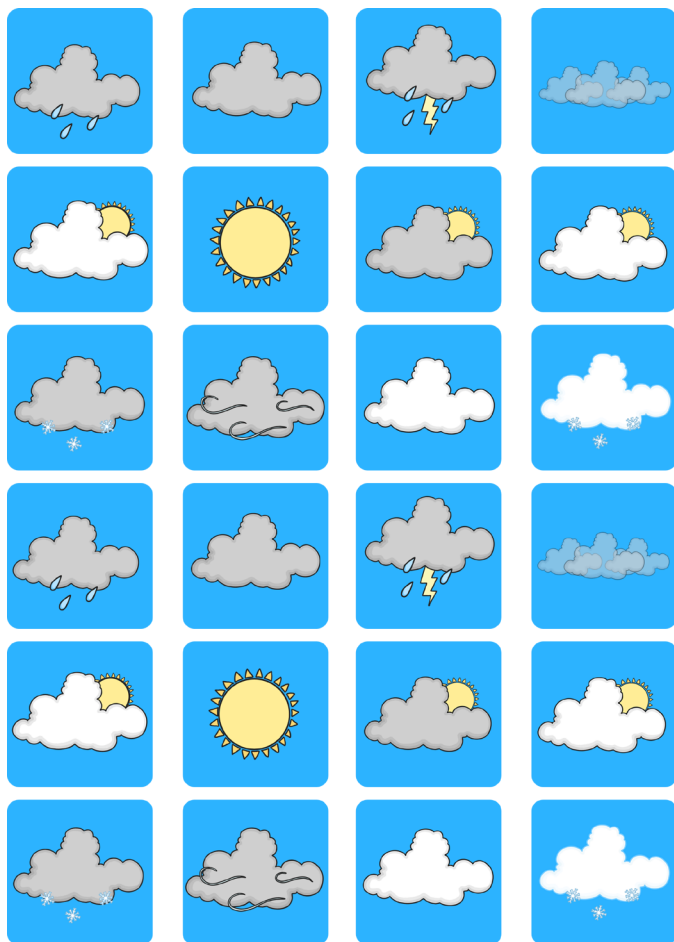

1. Your challenge is to write a weather forecast using as many suffixes beginning with vowel letters as possible.

You must use the rules you have learnt to help you spell the words correctly.

Below are just a few words to help you.

Underline the words with vowel letter suffixes as you use them in the weather forecast.

welcoming	forecasting	reducing	sunnier
rainiest	forgetting	mentioned	limited
travelling	foggier	lightning	brightening
