

Phonics Lessons

Below are links to some fantastic Letters and sounds phonic lessons for each of the Phase 2 sounds. Starting at lesson 1 and working through will help your child consolidate sounds learnt so far.

These videos work on a 4 sounds a week basis with a review session on a Friday but we would not recommend following this structure. Instead we would like you to go at a pace your child feels comfortable. You might choose to do 2 or 3 sounds in a week with some supporting phonic activities in between, such as sound hunts, letter formation, matching initial letters to objects and CVC word writing (if ready).

The **learn to read words** lesson can be used in short burst but only when you feel your child is ready to read simple words. If they are not ready, then just continue using the lessons that support learning each sound.

Lesson 1 's'
