Dear Parents and Carers,

## Hello From The PTA

As a new PTA group for Rye Community Primary School we would like to say 'hello' and introduce ourselves. We are a group of parents, carers and guardians of students currently in the school. We, as a group, try and meet a couple of times a month to sit and discuss ideas we have, to raise money for the children at the school. Please see the next page for photos and names of our PTA committee.

## Successful Event

Our first big event as the new PTA, was the Christmas Fair. We would like to say a big THANK YOU to you all for your support. As a result of your support and donations and donations from local businesses, we were able to run a successful event and managed to raise a HUGE £1880.75. As this was such a success, we have already begun to start planning our future events.

To be able to continue having our events, we need you to continue your support. Then together, we can raise funds for the children to be able to do more things, such as going on more school trips and buying new school equipment.

We will be holding PTA 'meet and greets' once a month and we would love for as many of you to come along as possible. Even if you can spare an hour here or there — join us on the committee.

## Local Support

We would like to add an extra thank you to the businesses that donated raffle prizes to us— we couldn't have done it without your generosity! Thank you!
