Reading Newsletter Issue 12

Summer Term 2 2022

Welcome to the next edition of our reading newsletter dedicated only to inspiring children to read and improving reading standards.

Happy Term 6 Everyone!

Can you believe it? Another academic year has nearly gone by and what a fantastic year it has been. As a community, we have all been working so hard to improve standards in reading fluency, prosody and comprehension.

Here are some of the things to celebrate this year that we have achieved together.

Little Wandle

At Rye Community Primary School, we believe that for all our children to become fluent readers and writers, phonics must be taught through a systematic and structured phonics programme. The children learn to recognise all of the different sounds and combinations that they might see when they are reading or writing. As a result, all our children are able to tackle unfamiliar words that they might discover.

Reading Passports

At RCPS, we truly believe that reading enjoyment is so important for children's educational success, as well as developing general knowledge and positive attitudes towards reading. The children have loved the Reading Passport scheme and we will continue to invest in the Reading Passports next year.

The Library

The library has never looked better and has never been used more. We have an amazing selection of fiction, non-fiction and poetry books that the children use on a regular basis.

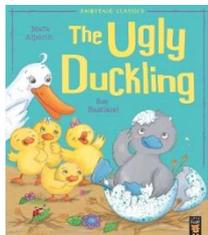

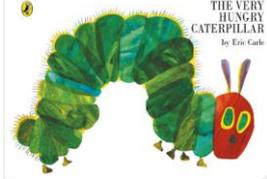

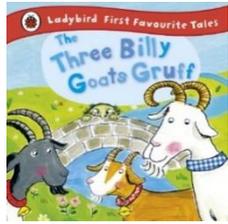

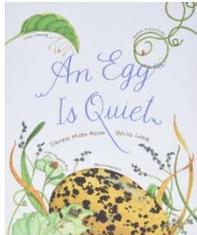

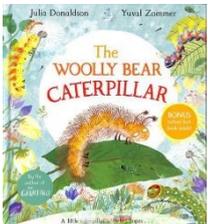

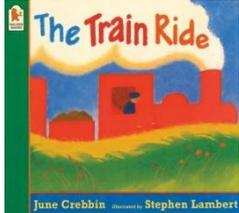

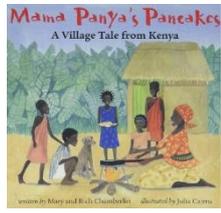

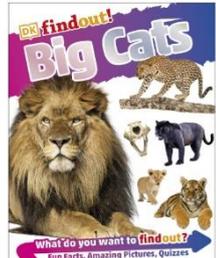

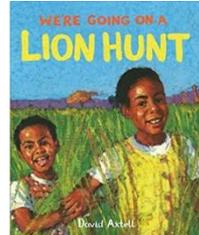

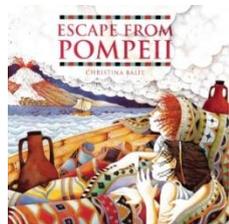

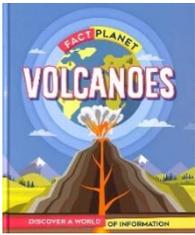

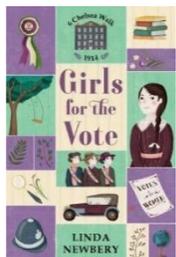

Reading Eggs

To develop reading skills and a love of reading, Reading Eggs has been a very popular scheme this year, especially in KS1 and EYFS. We are very proud of all the children's efforts to complete their online reading homework.

What books are we studying in Summer Term 2?

Each phase has set text(s) for reading and writing that develop core objectives and key skills. This is what each year group will be studying during Summer 2.

Summer Reading Challenge 2022

Over the course of the six-week summer holiday, we think it's really important to keep children reading.

Therefore, we are promoting the Summer Reading Challenge 2022, which encourages children and parents to visit their local library, share books and develop their reading skills.

This is a national scheme that is produced by The Reading Agency and delivered in partnership with libraries across the country. The aim of the Challenge is to keep children reading during the long summer holidays when children's reading can 'dip' if they do not have regular access to books and encouragement to read for pleasure.

You can also sign up to become a 'Gadgeteer' on the Summer Reading Challenge website where there's lots of books to explore.
