## **1. Introduction**

School is part of Bishop Hogarth Catholic Education Trust, and the uniform supports the high standards of Trust and the school. At School we believe that a school uniform plays an important role in creating a focused and respectful learning environment. The uniform policy is designed to promote equality, reduce distractions, and instil a sense of pride and belonging among pupils. By wearing the correct uniform, pupils represent not only themselves but also the values of our school. This policy outlines expectations for pupil dress and appearance, ensuring consistency and clarity for all members of the school community.

## **2. Aims**

We believe that a clearly defined school uniform is important to:

- **Promote equality**  
To create a sense of fairness and reduce peer pressure by minimising visible economic and social differences among pupils.
- **Encourage a sense of belonging**  
To help pupils feel part of the school community and take pride in representing the school.
- **Support a focused learning environment**  
To reduce distractions and support a professional atmosphere that is conducive to learning and achievement.
- **Foster discipline and responsibility**  
To encourage pupils to take responsibility for their appearance and to understand the importance of following guidelines and expectations.
- **Prepare pupils for the future**  
To help pupils develop habits of personal presentation that are important in many workplaces and formal environments.
