This is just a polite reminder that we are a **nut free** school.

Please do not send your child to school with any snack/packed lunch items that contain nuts.

Appointments in School Time

Due to an unmanageable increase in children being collected within the school day for routine appointments, we would like to inform parents/carers that routine medical appointments will no longer be authorised absences unless medical evidence is provided to confirm that the appointment is urgent and cannot be arranged outside of school hours.

Routine appointments include, but are not limited to:

- Non-urgent GP or doctor appointments
- Routine dental check-ups
- Standard eye tests, or the fitting/collection of glasses

Where possible, we ask that these appointments are scheduled outside of school hours to minimise disruption to your child's learning.

If an appointment is urgent and must take place during the school day, appropriate medical evidence must be provided when reporting the absence.

We appreciate your support in helping us maintain high levels of attendance and ensuring all students can make the most of their education.

If you have any questions, please contact the school office.

Thank you to all Year 6 Parents/Carers who have made payments towards their child's residential trip so far.

Governor vacancies

Sacred Heart has Foundation Governor vacancies on our Board. Foundation Governors are appointed by the Diocese and need to be practising Catholics. Foundation governors play an important part in maintaining and developing the Catholic character of our school.

The governing board plans the strategic direction of a school, makes sure public money is well spent, and holds school leadership to account. Whatever your professional background, your skills could transform a school. Governors work together as a team to ensure a good standard of education is being achieved. Being a Governor is an opportunity to develop the skills you have and to improve the futures of children today. You do not need to be a parent or work in the education sector.

If you would be interested in joining our Governing board as a Foundation Governor please contact the school office and we will be happy to give you more information.

From 1 June 2026, Lancashire County Council (LCC) will carry out annual checks. Each year, some children may become eligible, while others may no longer qualify.

PLEASE COMPLETE OUR SHORT FORM!

We will soon send out a form to help us prepare for these changes (school kitchen, staffing, and resources).

We would very much appreciate your support in completing and returning this. Strong encouragement for all families who think they may be eligible to apply to ensure their child receives the support they are entitled to.

Crisis and Resilience Fund

If your family is going through a hard time or facing an unexpected crisis, your local district council may be able to help.

From 1 April, the Department for Work and Pensions (DWP) introduced the **Crisis and Resilience Fund (CRF)** to support local welfare services.

The fund will run until 31 March 2029 and is paid for by the UK Government.

The CRF replaces the Household Support Fund (HSF), which ran from October 2021 until 31 March 2026. Because of this change, free school meal vouchers will no longer be available during school holidays.

How your district council can help

District councils can help with urgent needs such as food, essential household items and other practical support

You may want to contact your district council if you are dealing with things like:

- sudden money problems
- a family emergency that makes it hard to cover basic needs
- trouble getting food or essential household items
- a change at home that leaves you without immediate support
- extra pressure on your household budget, for example during the school holidays

Each district has a team that can talk to you about your situation and explain what help is available in your area. This support may come directly from the council or through local community organisations.

To get help, visit your district council's website or contact them by phone.

If you are not sure which district council covers your area, you can check by entering your postcode at www.lancashire.gov.uk/district-council.

If you are already getting support from a professional, for example through a Family Hub, school, health visitor or Early Years practitioner, then they can help you to contact your district council.
