Friday 18th July 2025

At the end of another busy year of learning, the long summer holiday is now ahead of us.

Today we bid a fond farewell to our Year 6 pupils. It is always a privilege to see the children grow and blossom into such wonderful young people ready for their next chapter.

All of the children should be very proud of themselves for all of their achievements this year. This could be anything from being a good friend, mastering a forward roll or making big improvements with their writing. Whatever it is, be proud and know that we can all do good things.

Have a great summer,

See you all on Tuesday 2nd September!

Mrs Scanlon

SCHOOL BAGS

We have seen an increase in the number of children bringing very large bags to school. We do not have adequate storage space for these and some are becoming a trip hazard.

From September please can children only use one of the following:

- School satchel (available to buy from the school office)
- Backpack no bigger than A4 size

Children having packed lunches can bring an additional lunch sized bag for these.

Communication

Please may we remind all parents/carers if your child is absent from school you must call the school office where there is a voicemail option. Please call before 09:15am to tell us the reason for absence and how long your child will be off school.

Medical appointments should be reported to the office with as much notice as possible where we will also require visual evidence of the appointment.

If there is a change in your child's collection from school, please call this through to the office as soon as possible. The end of the school day can be very busy so as much notice to any changes is appreciated.

Teachers are very busy and are not always able to pick up messages on dojo. If you require a response please call the office where we may be able to answer your query or pass a message on to the class teacher.

The school office is open between 08:30am – 4pm

Drowning Prevention - stay safe near water from The Lancashire Water Safety Partnership

When the warm weather hits, please don't be tempted to cool off by jumping into open water, particularly from height -

- The water is colder than it looks, even on a warm evening or sunny day
- This can lead to cold water shock
- Currents may be stronger than they look and even hidden
- There are often hidden dangers beneath the surface and water can be polluted

If you see someone in trouble in the water:

- **Call** 999;
- **Tell them** not to panic and, if they can't stand, to [float on their back](#) in a starfish shape. When calmer, encourage them towards you.
- **Throw** them something that floats or a throw/life line
