Welcome to Miss Hryziuk

We are delighted to welcome our new Learning Mentor Miss Hryziuk (Miss H) to our school team. She will be working closely with our pupils and families, offering support, guidance and encouragement to help every child thrive both in and out of the classroom.

Miss Hryziuk will also be a friendly face on the door at the start of the day, so parents and carers may see her there—please do say hello and introduce yourself.

We are very pleased to have her with us and know she will be a wonderful addition to our school community.

This is just a polite reminder that we are a **nut free** school.

Please do not send your child to school with any snack/packed lunch items that contain nuts.

Appointments in School Time

Due to an unmanageable increase in children being collected within the school day for routine appointments, we would like to inform parents/carers that routine medical appointments will no longer be authorised absences unless medical evidence is provided to confirm that the appointment is urgent and cannot be arranged outside of school hours.

Routine appointments include, but are not limited to:

- Non-urgent GP or doctor appointments
- Routine dental check-ups
- Standard eye tests, or the fitting/collection of glasses

Where possible, we ask that these appointments are scheduled outside of school hours to minimise disruption to your child's learning.

If an appointment is urgent and must take place during the school day, appropriate medical evidence must be provided when reporting the absence.

We appreciate your support in helping us maintain high levels of attendance and ensuring all students can make the most of their education.

If you have any questions, please contact the school office.

Congratulations to our talented pupils on their fantastic victory in the recent rugby tournament. The team showed excellent skill, determination and teamwork throughout the competition, making us all incredibly proud.

In the celebratory photograph, the pupils can be seen proudly wearing their medals and holding the trophy they also won in a previous sporting cup final – a wonderful reminder of their continued success and dedication to school sport.

Well done to all involved on this outstanding achievement. We look forward to seeing what you accomplish next!

Our choir had a fantastic trip out of school to take part in Lancashire Sings 2026. All of the children represented the school brilliantly and sang with great enthusiasm. It was a wonderful experience to perform alongside other schools and celebrate music together. As you can see from the photograph, everyone had a huge smile on their face and thoroughly enjoyed the day. Well done to all involved!
