

Home-School Agreement

Our Mission Statement

In Sacred Heart Catholic Primary School, we strive to ensure a happy and secure community with Christ at our centre working and worshipping together.

Our mission is to send out confident and caring children ready to achieve their full potential.

Our school provides a place where we have high expectations to improve and where we will make a difference.

WHY HAVE AN AGREEMENT?

Parents are the first educators of their children and play a crucial role in their education.

If school and parents work together, the children's education will be more successful.

We hope that this home-school agreement provides a clear framework for working in partnership, and sets out what you can expect from school, and what we in turn expect from the children.

We will try at all times to keep our side of the agreement and we expect you to encourage your child to do the same.

THE SCHOOL WILL:

1. Create a caring school environment promoting good relationships and a sense of belonging where in addition to academic achievement courtesy, good manners and consideration for others are essential qualities

3. Provide a structured and balanced curriculum.
4. Maintain close links between the parish, home and school.
5. Keep parents informed about general school matters, about their child's progress and achievement and also any problems or concerns
6. Inform parents about the curriculum topics to be taught each term
