NHS – CHAT HEALTH

From 18th September 2023 parents and carers of children aged 5-19 in our area can send a message, anonymously if they wish, to the School Nursing Team to get confidential help and advice about a range of health concerns, including health, sexual health, relationships, alcohol and drugs and bullying. This joins our ChatHealth text messaging service which is for young people aged 11-19 years.

Further information about the service can be found at <https://lancsyoungepeoplefamilyservice.co.uk/school-nursing/> or go to www.chathealth.nhs.uk to start a chat with the local messaging service.

The messaging service will be available Monday to Friday (excluding bank holidays) from 9am to 5pm. When a message is sent to the dedicated number (**07312263554**) an automated reply confirms the message has been received. A trained healthcare professional will reply to the message during office hours within 24 working hours at most. This is not an emergency service. Urgent help should be sought from an NHS walk-in centre or by calling NHS 111. In an emergency, dial 999 or go to A&E.

The Lancashire ParentLine messaging service will be run by HCRG Care Group and powered by the award-winning messaging platform, ChatHealth, which has been widely implemented at several NHS Trusts and healthcare organisations across the UK. It was developed by 2013 by an NHS Trust to offer more choice in how people can get help from local trained health staff in their area. In other areas where it is used young people say they feel more comfortable talking about their issues in a discreet message, whilst parents and carers say messaging is more convenient way to ask quick questions.

Fulwood Academy will be holding an Open Evening on Wednesday 27th September 2023, from 4pm-7pm.

If you are unable to attend the Open Evening but would like to meet Fulwood Academy Principal, Mr Galbraith, and have a tour of the school, please contact Mrs Ward:
