Newsletter

Friday 29th September 2023

What a week! As you will be aware, this week we have welcomed Ofsted into school for a two-day graded inspection. Whilst we cannot share any outcomes or feedback from this at the moment, what I will say is that it has been a very positive experience and your children have done you proud. The children were exemplary all week and all those who spoke to inspectors represented our school well. The report will likely be published during or just after the half term holiday but I will ensure that it is shared with parents as soon as I am able.

Thank you to all of you for being so supportive and a huge well done to our staff team who have well and truly earned a restful weekend!

Despite a positive start to the new academic year we have seen a challenging week for both attendance and punctuality. Please could we ask for all parent/ carer support in ensuring children are in school every day and on time. We are due a visit from the LCC attendance team in the next few weeks who will be supporting us with those children who do not meet the expected levels of attendance and punctuality.
