We have seen an increase in holidays and time off being requested during term time. It is school policy not to authorise any time off for children outside of school holidays. We kindly ask that any request for leave is supported by completing a 'Request for Leave' form available on the school website or outside the main school office, and this will also be followed up with a meeting with the Headteacher. All forms need to be completed with notice so the Headteacher has time to follow this request up.

We do remind parents/ carers that any leave taken in term time will be unauthorised except in exceptional circumstances and you could potentially be issued with a penalty notice.

Uniform

A reminder that children should be in full school uniform every day. The school website details all items that form part of the school policy. Children must also be in appropriate school shoes and not wearing jewellery.

Please could we also ask that children wear the school PE kit. This is red tshirt, black shorts and a red hoodie/ jumper/ cardigan. We do not allow football shirts, or sportswear different to that as listed above. Children must also be in appropriate footwear.

We ask this not only as it forms part of the school rules, but also for health and safety, as well as safeguarding of our children. Please can we ask parents/ carers to support us in ensuring children come to school in appropriate uniform each day.
