Newsletter

Thursday 20th October 2022

Where has the last few weeks gone?! It only seems moments ago that we were welcoming the children back from the Summer holidays.

We have had a busy half term as usual with the children settling well into their new classes and working very hard with their new learning. Lots of the children have been out and about at sports fixtures this half term, returning with medals and smiles. We are so proud when the children are out representing our school.

We have been delighted to welcome visitors back into our weekly Friday Superstars assembly this term – please note that the time of this assembly will be going back to the old time of 9am after the holidays and all are very welcome. Thank you to those who came to our Open Evening last night. It is only the second time that we have held this event and it was lovely to welcome new and familiar faces into our school to showcase what we have to offer.

Have a great half term holiday everyone!

Mrs Scanlon ☺
