It's been a short half term but busy nonetheless! It has been great to see the return of our competitive sports this half term with Coach taking different groups of children to participate in tournaments such as football, multi skills and tag rugby against other local schools. A group of talented artists thoroughly enjoyed a visit to the Van Gogh Alive exhibition recently and have since been inspired to produce their own art work. Some children have started their First Holy Communion preparations with Sacred Heart Church recently. We look forward to seeing them progress on their journey to celebrating this important sacrament in June. We have also begun using our new classroom which replaces the stage at the back of the hall. This has provided some much-needed extra teaching space which Miss Moon is currently using to teach smaller groups of children.

We also welcome Miss Moon, Mrs Nash and Miss Hayes as permanent members of staff this term. Welcome to the team!

Have a great half term holiday everyone

Mrs Scanlon 😊

Please remember to ring school if your child is absent from school with a reason for their absence. A reminder also of the importance of children arriving on time at the start of the day please. If a child arrives late for school this affects their learning and they can find it hard to settle into the day.
