As we come to the end of a busy term I think we are all hoping for the warmer weather to return for the Easter holidays! This half term we enjoyed Science week with two classes visiting UCLAN for Science workshops and a whole school biscuit dunking investigation (FYI Rich Tea came out top). We also had a visit from ROCK Music, lots of success in local sports tournaments, a very exciting Easter Egg raffle and then ended the term with our Poetry Performance Competition where all classes were fantastic with Year 6 crowned this year's winners!

Well done to all our Workers of the Term who received certificates and to all of the children for working so hard, we know it has been hard for everyone getting back in the swing of things.

Thank you to everyone for your generosity with this term's fundraising. We raised £159 for the CAFOD Ukraine Appeal on blue and yellow day, collected a van full of supplies for Recycling Lives to take to Ukraine and in the last two weeks have raised a fantastic £230 for CAFOD through our Easter Egg Raffle!

I am sure that you will join us in extending a very warm welcome to our new parish priest, Father Sam. We are looking forward to seeing him in Church and school in the coming weeks. We have also welcomed Mrs Barnsley this week, who is working alongside Mrs Aspden in our school office.

Happy Easter and Happy Hols everyone

Mrs Scanlon ☺

The Queens Jubilee

To celebrate the Queen's Diamond Jubilee we will be having a special themed day on **Friday 29th April**. Weather permitting, we will be having lunch outside aiming for a 'street party' feel. The children are invited to wear party clothes for the day.

Please ring school if your child is absent with a reason for their absence. A reminder also of the importance of children arriving on time at the start of the day please.

We have had a number of parents asking to collect their children early because they themselves have an appointment. Where possible, please arrange your own appointments for a more convenient time or arrange alternative collection for your child.

Parking

A reminder to please be respectful of local residents when parking. Please try and park on different streets as Poulton Street gets very busy. Please also do not stop in the middle of the road to let your children out as this is putting your child at risk.

Thank you to Mr Spirydowicz, our sports coach, for getting the children involved in lots of sports tournaments this term. Its been great to see the children so proud to represent our school. They are now looking super smart in our new sports kit too. Well done to everyone that has taken part. Here's to even more success next term!
