Newsletter

Friday 27th May 2022

This half term has certainly whizzed by! It was lovely to end the half term seeing the children all dressed up for the Queen's Jubilee celebrations and I'm sure there will be more celebrations to come over the school holiday.

Well done to our Year 6 children for completing their SATs tests earlier this term. They have all worked so hard, tried their best and should be very proud of themselves.

Next term there is lots to look forward to including various class trips, a special treat on the feast day of Sacred Heart and 'moving up' afternoon where the children will be spending time in their new classes in preparation for next year.

Finally, I am very pleased to say that, following an extensive funding bid, we have had our application approved for an exciting building project in school. In preparation for this, Year's Two and Three will be moving classrooms at the end of the Summer term. Year Three will be moving to the new classroom at the back of the hall and Year Two will be moving across the corridor. As soon as the project plans have been finalized I will share the details – watch this space!

Happy Hols everyone!

Mrs Scanlon 😊

Breakfast Club

Please note that our Breakfast Club is currently full with a waiting list. Unfortunately we cannot accept walk ins. Please contact the school office if you would like your child adding to the waiting list.

Drop Off/Pick Up

Unfortunately, I am having to share another reminder to ask parents to please not stop in the middle of the road to let your children out as this puts your child at risk and blocks the road.

Thank you to all of you who park responsibly.

Electric Scooters

Please note that, following advice from the PCSO, electric scooters will not be permitted on school premises from after the holiday.
