Our Freestyle dance classes give children the opportunity to learn short fun dance routines to a variety of music. These include pop songs, musicals and instrumental music. In Nature Club the children will be doing a variety of mainly outdoor, nature related activities such as leaf, flower, bud and seed hunts, making mini beast hotels, decorating plant pots, making harvest decorations, etc. In case of bad weather, the children will be offered a mixture of indoor puzzles or colouring, construction activities and educational nature video clips.

Zylo's experienced, charismatic practitioners use fun drama-school style games and short sketch-style scripts to build presenting and performance skills, with plenty of giggles along the way! The club is designed to offer value and fun for all children, not just those who are already interested in the performing arts.
