SUMMER READING CHALLENGE – SPACE CHASE

The Summer Reading Challenge encourages children aged 4 to 11 to read six library books during the long summer holiday.

Children's reading can 'dip' during the summer holidays if they don't have regular access to books and encouragement to read for pleasure. The annual Summer Reading Challenge helps get three quarters of a million children into libraries each year to keep up their reading skills and confidence. The Challenge celebrates its 20th anniversary this year.

How it works

Children can read whatever they like - fiction, fact books, poetry, joke books, picture books, audio books - just as long as they are borrowed from the library.

Children receive special rewards each time they finish a book and there's a certificate for everyone who completes the Challenge.

There is a different Summer Reading Challenge theme each year.

The Reading Agency and Libraries Present

Summer Reading Challenge 2019

The Summer Reading Challenge 2019 theme is Space Chase, an out-of-this-world adventure inspired by the 50th anniversary of the first moon landing.

Children taking part in the Challenge will join a super space family, The Rockets, for a thrilling mission to track down books nabbed by mischievous aliens!

Space Chase will feature bespoke artwork from top children's illustrator, Adam Stower, and will celebrate adventure, exploration, reading and fun! For more information <https://readingagency.org.uk/children/quick-guides/summer-reading-challenge/>

Notre Dame Spire

Great excitement in school this week as we received a response from the office of President Macron – in French and in English! The children's designs and empathetic responses were greatly appreciated. The letter finished with good wishes to all for the forthcoming holidays – although, as yet no sign of an invitation to the Elysee Palace!

*Le Chef de Cabinet
du Président de la République*

Paris, 4 July 2019

Dear Madam,

The President of the Republic has received the drawings of your pupils who designed a new spire for the fire-ravaged cathedral of Notre-Dame.

He would like to thank you and them very much for your support and he commends the empathy you showed following this tragic event for all of France, and beyond.

In this respect, you can be sure that the restoration work on this masterpiece of Gothic art will be carried out in an exemplary manner and will draw on the full range of skills of architects and all restoration and research professions in the field of history, architecture and heritage.

The President also send his best wishes for the fulfilment of your dreams and wishes you all a very happy summer holiday.

Sincerely,

François-Xavier Lauch

Chief of Cabinet of the President of the French Republic

Y4 & Y6 Musical Production **'We'll Meet Again'**

What a performance! Years 4 and 6 combined to tell through drama and song the story of evacuees during World War II. With stunning costumes, sound effects and period set, this musical experience will live long in the memories of the audience and cast. A mighty well done to you all!
