POETRY COMPETITION

Last month, children in Years 1-6 were busy writing poems entitled 'If all the World Were' to celebrate World Poetry Day. They were written in response to the ISA Poetry Competition and some of the children were inspired by a poem by Joseph Coelho of the same title. The staff were so proud of the children's enthusiasm and creativity.

The in-school winning poem was written by Monty in Y6 with special commendations for Joji (Y6) and Nate (Y5).

A selection of the poems are available to read on the display in the main corridor.

Well done children!

Hot food, Jolly Jam Jars, Hot Chocolate and Crepes, Craft, Hook-a-Duck and many more. We are also delighted to welcome our independent stalls to the fete: Contain Yourself, A Crafty House, Scentsy, Sue Hodges - Bags and Totes, Blue Mark Books, The Crafty Copper Witch Organic Jewellery, Parkinsons Charity, Megan Cobb Christmas Wreaths, Boo's Bags and Body Shop at Home. We also have some fantastic class hampers so don't forget to buy your raffle tickets.

We would like to say a big thank you from the PTA for your ongoing support.

Christmas Fete Sponsors

A successful Christmas Fete requires generous support and we are extremely grateful to our sponsors for this event: Catherine Bellinger Dance School, GNHQ Merchants, Wadhurst Pet Supplies and Wadhurst Ironmongers

Another busy and exciting week at Sacred Heart School where learning is fun!

It was the Year 5 Assembly this Thursday, focusing on Advent. Y5 explained that Advent is a time of preparation and they also described the symbolism of the Advent wreath, the Advent candles and the real message of Christmas.

For the last two years Year 5 has used the money from their class cake sale to purchase CAFOD World Gifts, helping to make a difference to those in need in poorer countries. Year 5 described some of the families who need our help, and how much would need to be raised to help them.

All proceeds from the Year 5 cake sale will be used to purchase more World Gifts but, so far, Year 5 has already bought a goat, a pig, some pigeons, helped a Llama farmer, provided water for a family, bought some drought resistant crops, taught someone to read, and bought a chicken! With any luck we will have enough money this year to buy a marvellous moo cow!

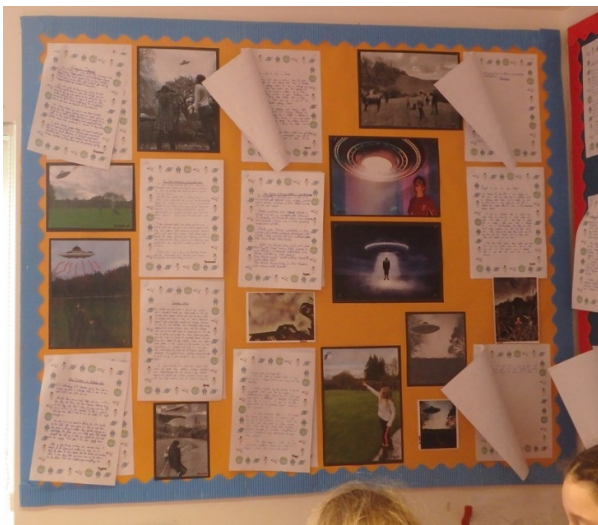

UFO Recounts

Year 5 pupils have been very busy learning all about UFOs and they found out that some UFO photographs are hoaxes. They wrote recounts about a UFO landing in their own local area and then made their own

hoax photographs to go with their stories. They are very convincing! Some photos included aliens, and some showed children being transported into alien space crafts. Luckily everyone was back in school safely the next day!

In preparation for next week's start of Advent, Year One have made their own Advent Wreath learning about the meaning of the four candles which represent hope, peace, joy and love. They also talked about why an Advent wreath is round and why we use twigs from evergreen plants.
