# NURSERY

In the Nursery, we have had a fun two weeks pretending to be Gingerbread Men! We baked biscuits, built bridges, ordered numbered Gingerbread Men and participated in a variety of fine motor activities.

Key policies are available via the school website or on request from the school.

# YEAR 6

Children in Year 6 have made some wonderful models of First World War trenches for homework which demonstrated their understanding and consolidated their learning. They then shared their work with the younger children who were excited to visit the Year 6 classroom and to listen and learn from the older children.
