FLUTE & CLARINET

Mrs Crowley has spaces for children who would like to start learning either the flute or the clarinet.

She would be very happy to show any child who is keen the instruments and chat to them about lessons. These lessons are available to children in Year 4 and upward, although a pupil in the last term of year 3 will be considered, if they are big enough. This is because, to enjoy learning these instruments, your child needs to be strong enough and have a big enough breathing capacity.

For children who are too young for flute and clarinet, Mrs Crowley, is offering one to one recorder lessons for pupils who want to get started on a wind instrument, with the view to graduating to the larger instruments at the right point. The skills learnt by playing the recorder are easily transferable to the other instruments, and of course, learning about notation and time is very useful too.

Mrs Crowley is occasionally asked about saxophone lessons. The saxophone is a large heavy instrument, even the lighter ones designed for smaller hands, are heavy for children, therefore, saxophone is limited to Year 6 children.

If you would like further information and to discuss any of this with Mrs Crowley, please give your details to the school office to pass on.

TOMMY 2022 SKIPPING CHALLENGE

At Christmas, I decided I would set myself a challenge for 2022 to raise money for Cancer Research UK. So since 1 January 2022 I have been skipping 365 skips every day, by New Year's Eve I will have skipped 133,225 skips! I have done this whatever the weather and even when I had Covid to make sure I complete my challenge. In February, I decided I would also like to raise money for the children of Ukraine and want to support the Ukraine Crisis Appeal, but JustGiving only let you attached one charity to each page so Dad will make a donation to them if I finish my challenge!

Please watch my video and donate if you can as every donation will make a difference and encourage me to keep skipping! <https://www.justgiving.com/fundraising/TommySkip>
