

# Welcome Back!

Welcome back to all our pupils and their families. I have had a fantastic first week and I want to thank you all for your kind words and for making me feel so welcome. I have loved getting to know the children and have spent time in their classrooms, watching them play and helping out with the new school lunches in the hall. It is wonderful to be back together again as a school family and the warm weather has really lifted everybody's spirits! We have been able to gather together for our whole school liturgy and awards assembly and we have also enjoyed singing once again.

# Important Notices

## STAFF NEWS

Unfortunately, Mrs Bradford is unable to be at school this term to teach music but we send our best wishes to her and we look forward to welcoming her back in the coming months. A warm welcome to Mrs Wibberley, who has previously taught at The Mead School. She will be teaching music across the school until Mrs Bradford's return. We also welcome Mrs Town and Mrs Rainbow who will be supporting the learning in Year 2.

## VOLUNTEER READERS

I am pleased to inform you that we will be welcoming parent volunteers in again to help with reading. If you, or a family member is interested, please email Pam in the office: [admin@sacredheartwadhurst.org.uk](mailto:admin@sacredheartwadhurst.org.uk)

## CURRICULUM EVENING

We will be holding a Curriculum Evening on Wednesday 22nd September with workshops designed to give parents some insight into your child's learning in school. A letter will follow with more information, but we hope you can join us on the evening.

## MACMILLAN COFFEE MORNING

This year we will once again host a Macmillan Coffee Morning at the school on Friday 24th September. The morning is a fabulous opportunity to bring together the Sacred Heart parents and wider Sacred Heart community at the beginning of the academic year. It has proved to be a busy and friendly event, giving people the chance to catch up after school drop off and offering those new to the school a warm welcome and the opportunity to be introduced to other parents at the school. The event always raises a large amount of money for such an important cause - yet of course we are not able to place a value on the community spirit an event such as this generates. Baked donations from parents, children and teachers will be gratefully received to support the coffee morning and can be dropped off at the school from pick up on Thursday 23rd September.

## ROALD DAHL DAY

Roald Dahl day is celebrated on Monday 13th September so during the week, staff will be reading some of their favourite books and poems. On Friday, there will be a special Roald Dahl inspired menu and in the words of the BFG, I am sure it will be truly 'scrumdiddlyumptious!'

## GRANDPARENT WEEK

Grandparent week this year falls on the week beginning 27th September and during that week, we would like to invite any of our grandparents to join us at the end of the day to read a story to their grandchild's class. If you would like to join us for this, please email Pam in the office: [admin@sacredheartwadhurst.org.uk](mailto:admin@sacredheartwadhurst.org.uk)

## COVID-19

Following the letter sent last week, please inform the office if there are any positive cases in your household. Your child will still be able to attend school providing they do not have symptoms themselves and you will be advised to give your child a PCR test. They will not need to isolate unless they have had a positive test result themselves. We appreciate your communication in regards to COVID and we want to ensure that we can keep each other, our children, staff and families safe.

## Mission Statement

### Love:

Here at Sacred Heart School, we try our best to keep everyone safe and happy. We know every child individually and respect who they are. One of the first things we teach our children is how to love one another. Our school knows and believes very strongly that children must feel safe and secure, to learn well and so must our teachers to teach well.

### Learn:

At this school, we do lots of different subjects and make sure students don't get bored. We do core subjects (English and Maths) everyday to keep them in our minds. We are proud of our children, no matter what their work looks like because we know they tried their hardest.

### Grow:

At Sacred Heart School, we make sure everyone grows spiritually (to get closer to God) and mentally to achieve your full potential. We teach our children to set good examples for others to learn through.

### Worship:

At our school, we teach R.E. regularly so our students can get closer to God. We have liturgy and we sing hymns to get closer to God and Jesus. We learn from Gospel reading and believe everyone is part of God's family.
