CORONATION CELEBRATIONS

As part of our Coronation celebrations, we are very excited to be welcoming Mrs Juliette Nicholson who is coming to talk to the children in Years 1-6 about the history of the Coronation, the symbolism and what it will all mean when we watch it on television. Mrs Nicholson is a well-known historian and author who has a particular understanding and insight into British historical events and is an excellent speaker who will help bring this historical event to life for the children. We will be celebrating next Friday, 5th May with a whole school picnic lunch with a special 'British' theme! As part of our celebrations, we are asking the children to design and make a simple crown for the occasion. The crown can be made from anything they like, but it would be very clever if the children were to think of something they would do if they were going to be crowned king or queen and incorporate their ideas onto their crown: it might be saving the planet, organising rocket trips to Mars, encouraging beekeeping; giving a bar of chocolate to every school child every day forever.....Whatever they think might make a difference! Nursery children who do not normally attend on a Friday may come in from 12.00-13.00 to attend the picnic. Please let Mrs HT know if you would like them to attend.

Another busy and exciting week at Sacred Heart School where learning is fun!
