# Welcome Back!

We enjoyed a warm welcome from the weather and the children on our first day of the summer term. We look forward to a complete term of learning and play in school together as we dare to hope for a return to more of the activities that contribute to a full experience of school life.

**PTA FUNDRAISING** - We just wanted to let everyone know that there are many different ways to raise money for our school PTA. The PTA, as a charity, is registered with the following companies, that will donate to our PTA if you purchase through their sites:

-  **smile.amazon.co.uk**

If you go to [www.amazon.co.uk/smile](http://www.amazon.co.uk/smile) and choose 'Sacred Heart School Parent Teacher Association' as your nominated charity, Amazon will donate 0.5% of the net purchase price (excluding VAT, returns and shipping fees) of eligible purchases to the PTA.

AmazonSmile is the same Amazon you know. Same products, same prices, same service but you'll be helping raise money towards our school.

-  **easyfundraising**  
feel good shopping

You can also register with <https://www.easyfundraising.org.uk> to raise money for the school through purchasing online with a variety of retailers, insurance providers, phone companies and more. There are over 3,700 shops and sites that will give a percentage or a donation to our school.

-  **MY NAMETAGS**

24% of every name tag order at [www.mynametags.com](http://www.mynametags.com) will be donated to our PTA. Just use our School ID - **7730** - at the checkout.

- We also now have a JustGiving page where people can donate directly to the PTA. [www.justgiving.com/sacredheartsch-pta](http://www.justgiving.com/sacredheartsch-pta)

Every bit helps. Thank you for your support.

The PTA Team

Don't forget on Friday 7th May, Sacred Heart School will join in celebrating the NSPCC Number Day 2021.

The teachers have planned extra Maths activities during the day, both indoor and outdoor, weather permitting. It will be a fun, number-filled day celebrating the different aspects of Maths, including plenty of Maths Reasoning.

We trust you are all aware of the fabulous work the NSPCC does, especially in these challenging times, and hope you will support this amazing cause by letting your child bring in a minimum donation of £1.00 on the day. It will be a non-uniform day and the children will be asked to 'wear' numbers written or printed on their clothing, including hats. We have included a few pictures to give you some ideas.

Should the children have any Maths related books at home which they would like to share with the class, including counting books for the younger ones, they are most welcome to bring them into school on Number Day. Thank you very much in advance for your enthusiasm and support.

### PTA EASTER HAT & HEADBAND COMPETITION

Congratulations to all the children (and their parents) who contributed their colourful designs for the PTA Easter Bonnet Parade. Such colourful creations incorporating signs of spring and new life added to the joyful return to school!

# RESURRECTION CROSSES

Many of the children reflected their learning about the Easter message in their resurrection crosses which bring life and colour to our displays and prayer tables this term. Well done to all who have brought their crosses in to school already. It's not too late; if you are completing your designs this weekend, please bring your cross in on Tuesday. As this project shows, there are many creative ways to show your learning and understanding!
