### ROSE HILL NETBALL TOURNAMENT *Thursday January 2019*

Year 4 girls went to the Rose Hill Netball Tournament. This was their first ever netball match.

Team: India, Bella, Josephine, Francesca, Amelia, Liberty, Sophie, Freya, Belle, Savannah, Aryana and Sofia

We were put in a section with St Michaels, Holmewood House and Sevenoaks Prep. Our first match we lost 0-7 against the eventual tournament winner St Michaels. Our next match was with Holmewood House, who ended up tournament runners up, and we narrowly lost 3-4. Our final game was Sevenoaks Prep

*Key policies are available via the school website or on request from the school.*

where another close game occurred and we just lost 2-3. The team showed huge progress and potential throughout the tournament so well done to all!

### COLD WEATHER

As the cold weather has finally arrived please ensure that your child has their play clothes in school together with boots, hats and gloves. If the snow does reach us and we are unable to open the school a message will be placed on the school website by 7.30am

## ***Another busy and exciting week at Sacred Heart School where learning is fun!***

Year 5 have started to program code in SNAP this term. The code looks very similar to Scratch and they are learning how to convert Morse Code into sounds and letters using SNAP. So far they have created coding to turn dots and dashes from Morse Code into sound and this week they have been converting letters into Unicode numbers.

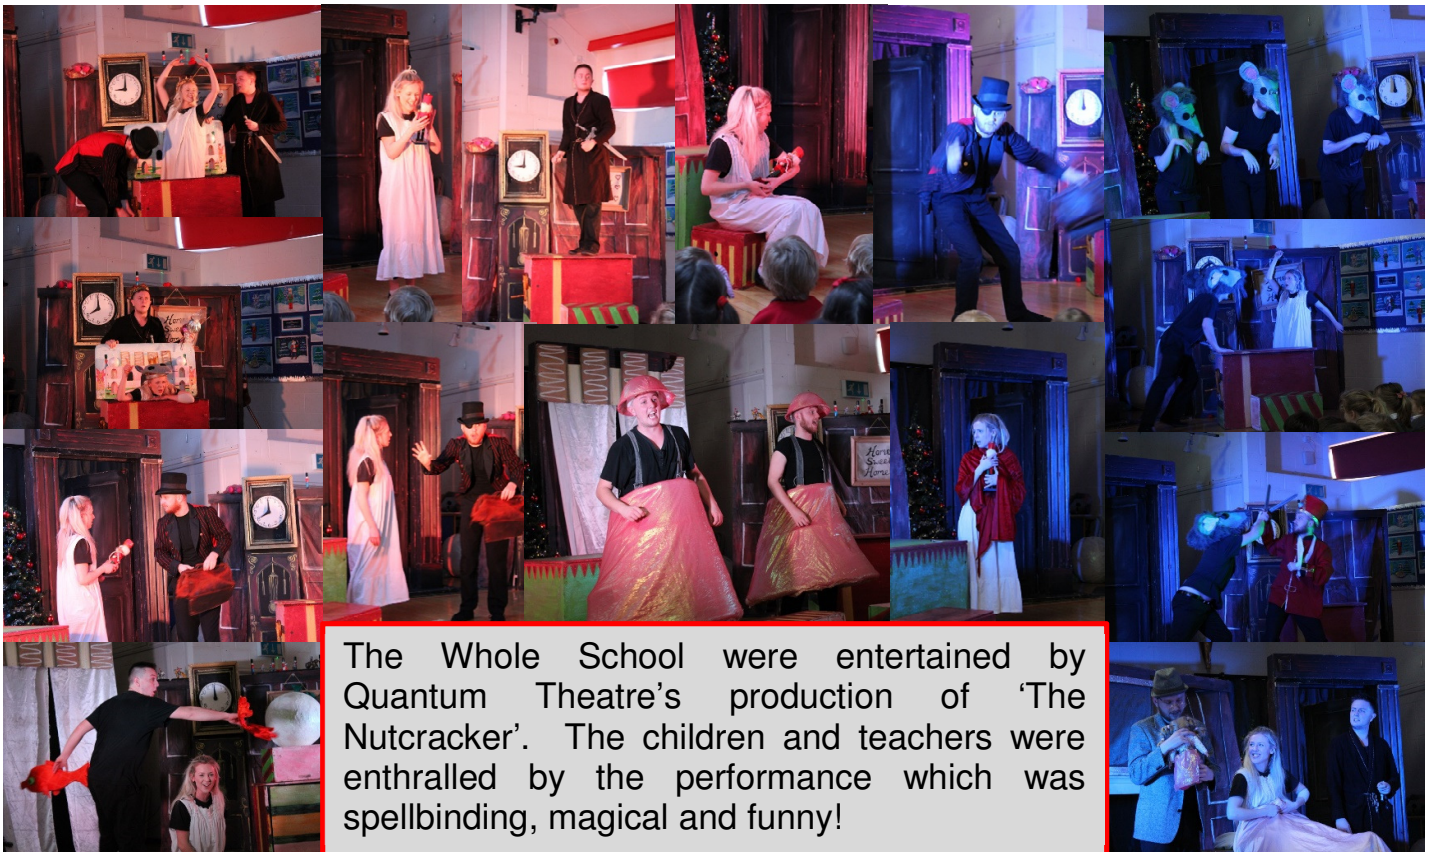

As this is the most complex programming language that the children have used so far, they have been helping each other to debug their coding and check for mistakes. Whilst this is not the most exciting part of coding, it is essential work and because of this support and attention to detail, most of them have been successful in these complex programming tasks. Over the rest of the

term they will be creating further procedures to convert text into Morse Code and then play it back as sounds.

Year 5 are enjoying the challenge, and are gaining useful insights into the skills, focus and concentration required to develop more complex coding.

## ***The Nutcracker***

The Whole School were entertained by Quantum Theatre's production of 'The Nutcracker'. The children and teachers were enthralled by the performance which was spellbinding, magical and funny!
