GOLD SCHOOL GAMES MARK AWARD

We had exciting news at the end of last term with the announcement that for the second year running the school has been awarded the School Games Gold award by the Youth Sports Trust for our commitment, engagement and delivery of competitive school sport in 2018/2019. The award is assessed on the amount, quality and variety of sport and matches the pupils are offered by the school. Gold is the top award and only a small number of schools are awarded, particularly in consecutive years. Congratulations to the whole school and to our fabulous games teachers, Mrs Overy and Mrs HT for the dedication to fostering and encouraging a love of sport in every child.

Another busy and exciting week at Sacred Heart School where learning is fun!

The nursery children have been enjoying the new outdoor area. They have also been making play dough faces to describe how they are feeling.

Gosh, Year 6 has accomplished so much already this term!

We have created drawings of lion heads in pastel to decorate our classroom door to show that we are 'The Pride'.

We have promised to work together as a team, lead the younger children with displays of excellent behaviour and take pride in everything we do.

This week we have written poems about God's Love in our R.E. lessons, referring to Psalms 23 and 136 in particular. Last week we wrote poems about what we *didn't* do in the summer holidays; see the display in the main corridor.
