MISSION IN ACTION AWARDS
LOVE, LEARN, GROW, WORSHIP

RECEPTION	Jonah	LEARN & LOVE: For always trying his very best and for creating a fabulous millipede collage
	Jemima	LEARN & GROW: For her fantastic adding and doubling in Maths
YEAR 1	Teddy	LEARN: For a beautifully written non-fiction booklet on tigers
	Lucy	
	Barney	LEARN: For excellent Maths work, adding and subtracting ten and eleven within 100
	Evan	GROW: For getting changed for PE as quick as lightning!
YEAR 2	Poppy	LOVE: For always being a good, true and loyal friend to everyone
	Iris	LEARN: For beautiful sewing skills in Art
YEAR 3	Eddie	LEARN: For his contributions to class discussions
	Coco	LEARN: For amazing English work this week
YEAR 4	Annabelle	LEARN: For an excellent piece of research into endangered animals
	Vanessa	LEARN & LOVE: For her exemplary behaviour and for always completing her work to the very best of her ability
YEAR 5	Charlie	LEARN & WORSHIP: For trying his very best in Maths and completing lovely work in RE on the Holy Spirit
	Liberty	GROW & LEARN: For taking such a positive role in class discussions and for producing super work this term
YEAR 6	India	LOVE: For giving up their playtime to help sort out the class library
	Sophie	
	Sofia	
	Isabella	LEARN: For working very hard in History this week
P.E	Amelie (Y4)	For both displaying excellent bowling in Cricket
	Tolly (Y1)	
	Edie (R)	For excellent running and landing

KEEPING THE FUN IN FUNDRAISING

Congratulations to two of our Year 5 girls who used their talents for song and dance to bring a little joy into the lives of those around them during the Bank Holiday weekend. The girls kindly chose to pass on the donations they received to CAFOD. Well done and thank you!

PTA FUNDRAISING - We just wanted to let everyone know that there are many different ways to raise money for our school PTA. The PTA, as a charity, is registered with the following companies that will donate to our PTA if you purchase through their sites:

-  **smile.amazon.co.uk**

If you go to www.amazon.co.uk/smile and choose 'Sacred Heart School Parent Teacher Association' as your nominated charity, Amazon will donate 0.5% of the net purchase price (excluding VAT, returns and shipping fees) of eligible purchases to the PTA.

AmazonSmile is the same Amazon you know. Same products, same prices, same service but you'll be helping raise money towards our school.

-  **easyfundraising**
feel good shopping

You can also register with <https://www.easyfundraising.org.uk> to raise money for the school through purchasing online with a variety of retailers, insurance providers, phone companies and more. There are over 3,700 shops and sites that will give a percentage or a donation to our school.

-  **MY NAME TAGS**

24% of every name tag order at www.mynametags.com will be donated to our PTA. Just use our School ID - 7730 - at the checkout.

- We also now have a JustGiving page where people can donate directly to the PTA. www.justgiving.com/sacredheartsch-pta

Every bit helps. Thank you for your support.

KENT COLLEGE

Key policies are available via the school website or on request from the school.

Another busy and exciting week at Sacred Heart School where learning is fun!

YEAR 1

In Maths, we first practised to become wizards at adding and subtracting multiples of tens and also 11, from 2-digit numbers within 100, using many different kinds of manipulatives such as straws, ten frames, cubes and base ten equipment and comparing that to what happens on the 100 square. Then, adding and subtracting 11, we challenged ourselves to make as long a line as possible on the 100-square, choosing our starting number carefully whilst our friends tried to stop us in our tracks!

YEAR 2

In RE this week, we have been learning about the story of Pentecost. In order to retell the story, we created a dance to show how the disciples were afraid, until the Holy Spirit came to them like tongues of fire to fill them with the joy and courage they needed to go out and spread the Good News.

YEAR 3

In our Art lessons in Year 3 we have been working with fruit and vegetables. We have looked at still life paintings from numerous different artists and periods. We then drew peppers in charcoal, practising the skill of observation; trying hard to draw what we actually saw. This week we have made peppers out of clay, trying to make our sculptures look like the real peppers in front of us and not just our ideas of what a pepper should

YEAR 4

This term, Year 4 have started a new Science topic: Living Things and their Habitats. The children have been learning about both the life processes of living things using the acronym MRS GREN and how to categorise them by looking at their similarities and differences. Last week, the class took a walk around the school grounds to see what living things they could spot and there were many to be found!

In English, we have started our modern fiction topic, reading *Mr Stink* by David Walliams. Using the characters from the story, the children have been role playing and writing their own scenes. We have been looking at the rules for punctuating speech and the children have included some dialogue in their very creative pieces of writing.

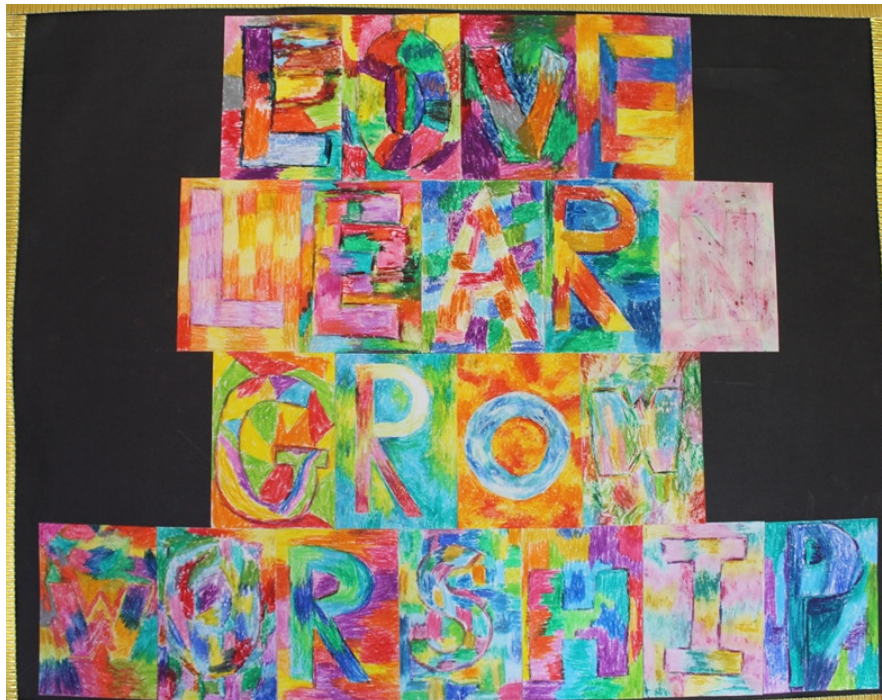

YEAR 5

Year 5 are studying the Vikings this term. Over the Easter holidays, they were busy making their own Viking longships which they could make using any materials that they liked. The children used wood, papier mache, Lego, card, cloth and string. Their attention to detail on the different parts of their boats was second to none with intimidating figure heads, decorated shields and billowing sails. The children have been learning in class about the different parts of a Viking boat, their functions and evaluating whether the longship was an effective method of transportation. The classroom is now full of an absolutely fantastic fleet of longships ready to launch on a Viking raid!!

YEAR 6

Children in Year 6 have been inspired by the artist, Jasper Johns (b. 1930) to create this collaborative piece which focuses on our school's Mission Statement. Johns was interested in the idea that letters were seen every day, but rarely explored carefully. We hope that our artwork challenges everyone to look carefully for the words LOVE, LEARN, GROW and WORSHIP and to remember that that is what we do every day in our school.
