RESULTS: Match 1 – 0-1 Match 2 – 0-2. Congratulation Claremont

PLAYER OF THE MATCHES: Amelie

Special mention to Winnie and Laila who played in goal for the first time and did an amazing job

Important Notices

CURRICULUM EVENING

The Curriculum Evening is being held on Wednesday 22nd September with workshops designed to give parents some insight into your child's learning in school. A letter has been sent with more details. Please do let us know if you are planning to attend, and which workshop/s you would like to attend. To ensure we keep each other safe, could we please ask that anyone attending takes a lateral flow test and that masks are worn while in the classrooms and in the hall, when you are not eating and drinking.

MACMILLAN COFFEE MORNING

This will be hosted in the hall on the morning of Friday 24th September. Baked donations from parents, children and teachers will be gratefully received to support the coffee morning and can be dropped off at the school from pick up on Thursday 23rd September.

GRANDPARENT WEEK

If any grandparents would like to join us on the week beginning 27th September to read a story to their grandchild's class, talk about what life was like for them growing up, or share something interesting with the class, please email Pam in the office: admin@sacredheartwadhurst.org.uk

SNACKS

A reminder that children from Reception class are encouraged to bring a healthy snack for mid-morning break. Chocolate and sweets are not allowed and we have a no nut policy in school, so please do not include these in snacks. Please name all snack containers and water containers so that they can be re-united when separated from their owners and if possible, avoid using single use wrapping. If your child is staying on after school for a club, please send them with an additional small snack.

DIARY DATES

These are now updated on the school's website: <https://sacredheartwadhurst.org.uk/calendar>

HAIR AND JEWELLERY

Hair which reaches the shoulder, for both boys and girls, must be tied back completely (not half head). Pierced ears are discouraged at primary school and children are not allowed to wear any type of earrings for PE. They **must** be able to remove their own earrings before PE (staff are not allowed to assist with this) and ideally should not wear earrings to school on PE days. If you are thinking of getting your child's ears pierced, perhaps this could be done over the summer holidays in order to allow the ears to heal completely. There should be no other jewellery apart from a small wristwatch and nail varnish may not be worn.

OPEN MORNINGS

- **Battle Abbey School:** Saturday September 18th 2021, 10.00am – 1.00pm.
- **St Gregorys:** Wednesday 22nd September, Thursday 23rd September, Tuesday 5th October, Wednesday 6th October, Wednesday 20th October, Thursday 21st October at 9.00am, 10.00am and 11.00 am and Thursday 23rd September 2021 at 4.30pm, 5.30pm and 6.30pm.
- **Mayfield School:** Saturday 25 September (this is now fully booked) and Tuesday 9 November from 10am-12pm, and a virtual Open Morning on Saturday 27 November from 11am-12.00pm.
- **Bethany:** 25th September 2021 or 20th October 2021
- **Kent College Pembury** Senior School Open Morning on Saturday 2nd October, 9.00am – 12.00pm

WEEK AHEAD DIARY DATES

Friday 24 th	MacMillan Coffee Morning Awards Assembly	08.30-09.30 15.00
Saturday 25 th		
Sunday 26 th		

Key policies are available via the school website or on request from the school.

Another busy and exciting week at Sacred Heart School where learning is fun!

We have had a busy start to the term in Nursery learning each other's names by playing games together. We have harvested our beans and potatoes and enjoyed eating the potatoes for our lunch. Our topic is:

NURSERY 'All about Me'

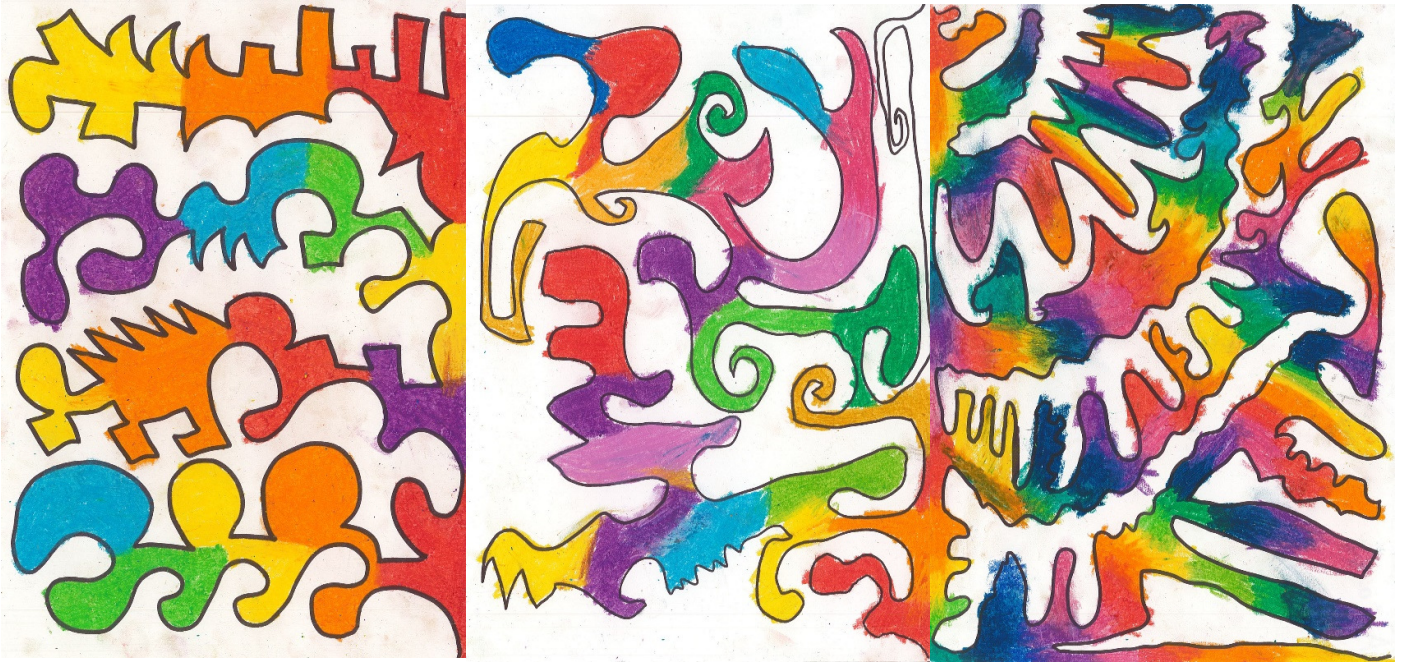

YEAR 1

As the pictures show, we have had a very busy two weeks in Year One. We have been learning about Ourselves in Science and have had fun labelling the body parts of one of our friends. We found out about our sense of smell, making stinky socks, using herbs and some soap (the latter because they will be decorating the classroom for a while!). In Art, we created a sunflower number line which we will be using during our Power Maths lessons. We have even found some time to play in the quad area and inside the classroom to help us settle into Year One and we made a visit to our old Reception classroom where we enjoyed playing with our familiar toys and had a catch up with Miss Turner.

YEAR 3

In our Art lesson in Year 3 we took a line for a walk! We had to fill the page using one continuous black line that didn't cross itself. The challenge was then to fill the spaces created using oil pastels, staying within the lines and following the maze-like path. This has created really effective pictures with patches of white contrasting with patches of vivid colour. We hope you agree that they look really effective!

YEAR 5

Year 5 have been finding out about the planets in the Solar System. They know that there are 4 rocky planets, Mercury, Venus, Earth and Mars and that there are four gas giants, Jupiter, Saturn, Uranus and Neptune. They discovered that the rocky planets are nearer to the sun than the gas giants, but all of the distances involved are so large, millions of miles, and so quite hard to imagine.

To solve this problem, they used a standard method to scale down all the distances so that they could be represented by numbers of footsteps. One child was the sun, and the others took steps to show where their planet would be in relation to the sun and the other planets. The moon then orbited the earth.

Luckily it was a lovely sunny day. Everyone enjoyed working out the distances and this really helped all the class to visualise the solar system and the position of each planet in relation to the sun.
