LOVE – LEARN – GROW – WORSHIP

Key policies are available via the school website or on request from the school.

CONGRATULATIONS:

- On Sunday 5th May Millie (Y2) and Poppy (R), along with 45 other dancers from the Catherine Bellingier School of Dance, took part in 'Stars in the Round' at the Royal Albert Hall. They performed a 5-minute ballet based on the story Alice in Wonderland. It was an amazing experience and a huge achievement at the age of 5 and 6.
- Rotherfield Football Club have awarded medals to:
 - Seren (Y2) for being a great addition to the team and for throwing herself into football
 - Liam (R) for good tackling
 - Paddy (Y1) and Luke (Y2) for commitment to the club throughout the year
- Oscar (Y3) who was part of the winning team on the Tunbridge Wells RFC Mini's Tour to Great Yarmouth

Another busy and exciting week at Sacred Heart School where learning is fun!

Construction Club....or is it?!

We will be interpreting the theme very loosely this term as we make and build a variety of things, starting out with mosaic planters and who knows what might be next!

Nature Club

At their first activity of this Summer Term Nature Club worked as a team to make two Easter Gardens, assembled from flowers, moss, pebbles, rocks and sticks they collected from the school grounds.

Thank you to the boys and girls in Nature Club for contributing an Easter garden to our Liturgy table alongside signs of new life including spring flowers, eggs and chicks. We start the summer term filled with optimism and joy as we have so many exciting things to look forward to.

Laudato Si' Care for our Common Home

Together with the PTA we are working on a new whole school goal: to reduce waste and use of resources, including especially single use plastics. The School Council members helped launch a survey of break time snack wrappers this week, creating a tally of plastic, foil, paper, reusable wrappers or nature's own, such as banana skins. Together we will try to reduce waste in this small aspect of our daily lives and compare the results when the survey is repeated in a couple of weeks' time. Some of you are already well underway with your own campaign at home but, if not, we hope that the children themselves will lead a quiet revolution as they switch off lights, turn off taps and eat all their food!

LOVE – LEARN – GROW – WORSHIP

Key policies are available via the school website or on request from the school.

Thank you to our young musicians who entertained us on Thursday evening. How lovely to hear the progression across the year groups and what a great incentive to practise! Thanks to our music teachers, Mrs Bradford and Mrs Crowley, and our very receptive and appreciative audience of mums, dads, grandparents, aunts and uncles and family friends.
