| | | |
|------------|----------------|--|
| YEAR 5 | Scarlet | LEARN: For fantastic spelling work with some tricky homophones |
| YEAR 6 | Amelia | LEARN: For an enthusiastic approach to her learning, especially reading. |
| FRIENDSHIP | Eliza (Y6) | For reading a story beautifully to KS1 at the end of wet play |
| | Olivia (Y3) | For helping to clear the dining hall without being asked. |
| | Lettie (Y3) | |
| | George (Y4) | For being a supportive friend. |
| PE | Annabelle (Y2) | For excellent attitude in PE |
| | Milo (Y4) | |
| MUSIC | Mia (Y6) | For a fantastic start to your compositions. |
| | Ava (Y6) | |
| | Florence (Y5) | |
| | Scarlet (Y5) | |

CONGRATULATIONS:

- **Florence (Y5)** for passing Grade 2 ABRSM Singing Award with distinction

HOT CHOCOLATE MORNING FOR ROCKINGHORSE

On Tuesday 12th February the School Council are putting on a Hot Chocolate (with marshmallows!) morning to raise funds for the Rockinghorse Charity. Rockinghorse is a charity based on Brighton which raises funds and supports babies and children who are treated at the Royal Alexandra Children's Hospital in Brighton. There is a specialist department caring for premature and sick babies and a Paediatric Department providing inpatient and outpatient care for children across the South East. Please can the children bring in a minimum donation of 50p towards their hot chocolate. The fundraising morning is being run by the School Council who voted on which local Charity they would like to support this half term.

U11 NETBALL v The Mead

On Wednesday 30th January Sacred Heart U11 Team played against The Mead. The final score was 13-4 to The Mead. Congratulations to Mia who was awarded Player of the Match.

U10 NETBALL v The Mead

The Y5 girls went to The Mead for the first away match of this year. The final score was 7-2 to Sacred Heart. Congratulations to Bea for being awarded Player of the Match.

U11 HOCKEY V Beechwood

On Wednesday 6th February Sacred Heart Girls U11 team played against Beechwood Sacred Heart.

The final score was 4-0 to Sacred Heart. Congratulations to Sophie who was Player of the Match

U10 HOCKEY v Beechwood

The Y5 girls played against Beechwood Sacred Heart.

The final score was 0-2 to Beechwood.

Congratulations to Florence who was Player of the Match

U11 RUGBY v Bricklehurst

The U11 boys played Rugby against Bricklehurst on Wednesday 6th February. We played 4x10 minutes games and the results were as follow.

Match 1 – 3-1 to Sacred Heart

Match 2 – 3-2 to Sacred Heart

Match 3 - 2-0 to Bricklehurst

Match 4 - 4-1 to Sacred Heart

The boys all played with enthusiasm and determination to achieve three excellent wins. Thank you so much to Mr Hughes who refereed the game.

***Another busy and exciting week at Sacred Heart School
where learning is fun!***

Foundation Stage – Cinderella Ball

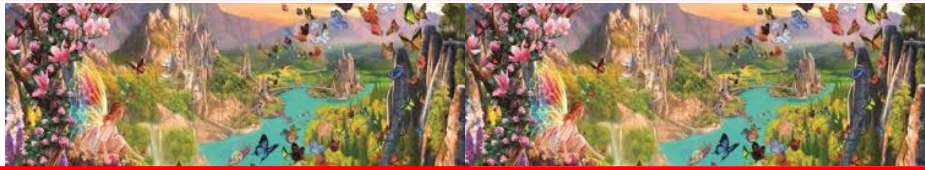

In Year 2 we have been busy trying to put Fairyland on the global map by writing instructions on how to find your way around! Using our imagination, we came up with a number of exciting possibilities....

How to get to the Dragon's Den from the Giant's Den

Have you ever wanted to find your way around Fairyland?
If you read these instructions, you will stay safe!

First go past Giant's Den but remember to feed the giant an apple so it doesn't eat you!
Next go past the little boat but don't get in or a goblin will eat you!
Then go past Wild Wood. You must be really quiet or pixies will play tricks on you!
After that go past the Watch Tower but if a witch comes out, stop and stay for a bit because she's very lonely!
Finally arrive at Dragon's Den. The dragon is very friendly if you feed him a banana!

(WINNIE)

How to get to the castle from the gate

Would you like to know how to find your way around Fairyland?
Well read these instructions and you will find out.
First go through the gate and hop onto the little boat. Maybe go fishing because you might catch a magical, silver fish!
Next go over the bridge and you will arrive at a sign that says Watch Tower.
Then walk to the fairy toadstools. Have a rest there!
After that tiptoe past the Witch's hut so she does not eat you!
Lastly walk past the Gnarled Tree and you will arrive at the castle. Have a cup of tea there with the friendly king and queen!

(HARRY)

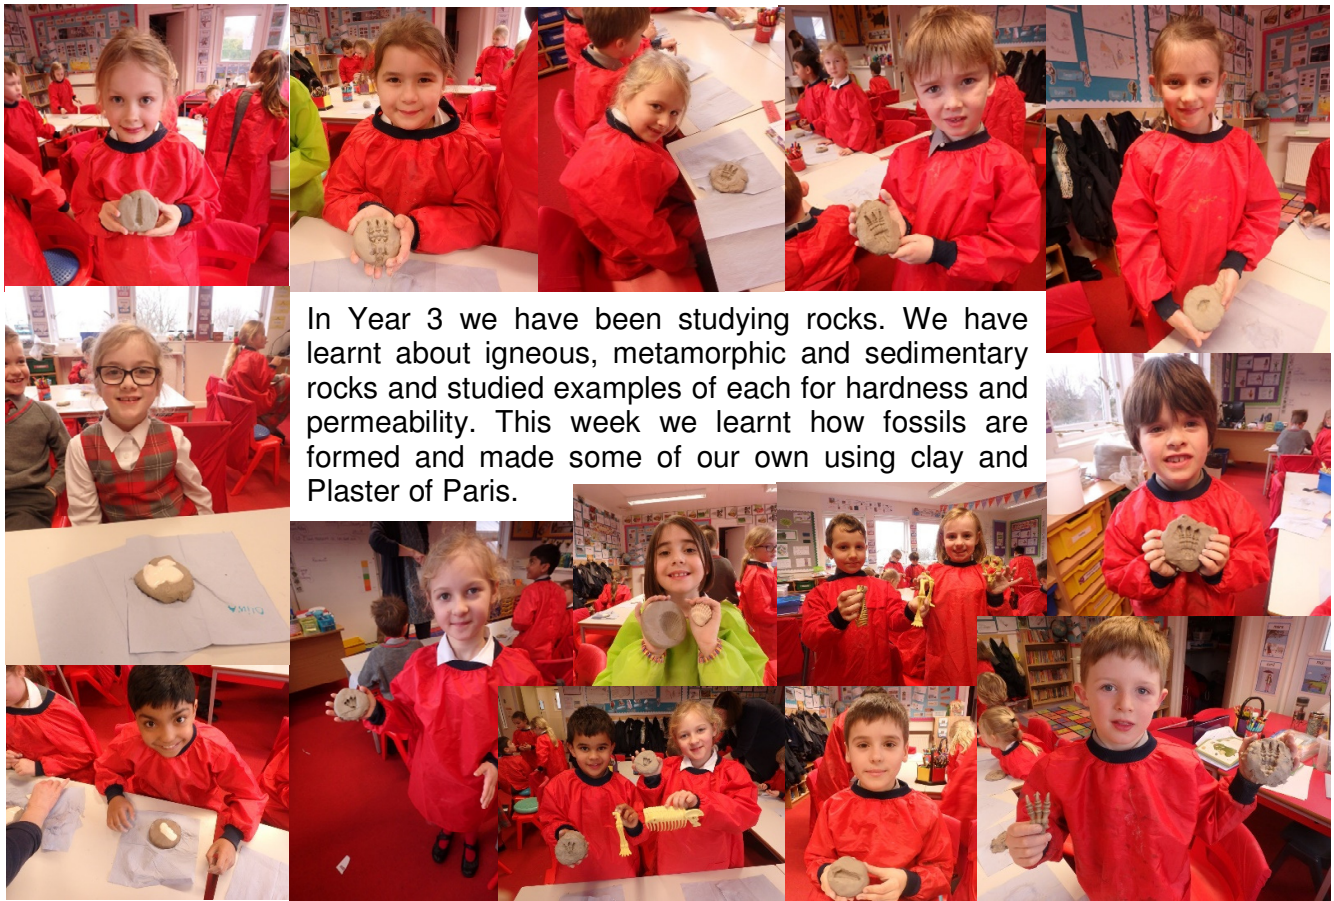

BURNS' NIGHT SUPPER

By all accounts Saturday night was a great success, with plenty of laughter, dancing and haggis! It was a brilliant evening for bringing parish and school together and I would like to thank the small group of parents who have been working very hard to ensure the success of the project in the long lead up and on the day/night itself.

It seems it will live long in the memory of the Sacred Heart community – for all the right reasons.

In Year 3 we have been studying rocks. We have learnt about igneous, metamorphic and sedimentary rocks and studied examples of each for hardness and permeability. This week we learnt how fossils are formed and made some of our own using clay and Plaster of Paris.

Year 4 have been learning about measuring in our maths lessons. To reinforce our understanding of measures, we baked cookies/biscuits using our own recipes. A big thank you to the Year 6 judges - Avaani, Ava and Monty who had to taste 20 biscuits each! They gave very professional feedback and the winners were Milo (1st place), Lewis (2nd place) and Nate (3rd place). Well done to everyone for taking part and making such a variety of amazing biscuits and cookies whilst consolidating your understanding of measuring accurately.

National E-Safety day

was on Tuesday 5th February this year and at Sacred Heart we have been working hard to understand how to use the internet safely. The theme for e safety this year is "Consent" and on Tuesday, Mrs Leftwich explained what this meant to Key Stage 2 in a special assembly. We need to gain consent from others if we want to share photographs or information about them, or if we want other people to join a messaging group. Companies must get our consent if they want

to obtain or use our personal details.

If something is worrying you on the internet, tell your mum or dad straight away and then you won't need to worry anymore! Luke

Only ever speak to people you know on the internet. Winnie

The children examined real life situations where they could be asking for or giving consent for their actions when using electronic communications. Children were able to follow up these activities with their class teachers and they were given the opportunity to ask for advice and help on their own internet use.

In Key Stage 1 teachers read stories and talked to children about their safe use of the internet and children made e safety posters to show what they had learnt.

There was an opportunity for Key Stage 2 to play the new e safety game, Band runner on www.thinkuknow.co.uk. In the game children can collect points for answering questions on the safe use of the internet. There are lots of resources for children in Key Stage 1 and 2 on this website and there is also plenty of helpful advice for parents.

On Thursday 7th February, there were additional e safety sessions led by an IT Consultant in the ICT room for all classes from Year 1 to 6. In these children took part in fun activities designed to help them keep safe on the internet. The activities in Key Stage 1 were very hands on and practical eg. acting out how the internet works, whilst the older children had more in depth discussions about using secure passwords and being aware of the dangers of pop ups and cyber threats.

After half-term teachers will be following up the e safety message with additional e safety lessons to make sure that children in each year group have plenty of opportunities to talk about any concerns and understand how to keep safe.

The internet is very topical at the moment, and there has been lots of discussion in the media about screen time and the dangers that the internet can pose. The overall message is that the internet is a fantastic resource for us all and has brought great benefits to our world. As long as we make sure that we are using technology safely, appropriately and in moderation, we can enjoy it and make the most of all the many benefits it can offer.

It was really fun acting out the internet and seeing how messages or photos can end up in lots of different countries all over the world even if you only sent it to one person because they can send it on to someone they know that you don't! Harry
