## POLLEN PARTNERSHIP

"A warm welcome on behalf of myself and the team at Sacred Heart"

At The Pollen Partnership, we are a very small niche contract caterer that is very much about finding the perfect balance throughout our food by injecting health, knowledge, nutrition, and fun within our menus. All our food is freshly prepared on the day by using our locally sourced suppliers that we work closely with on a daily basis.

We use no GM foods within our kitchen, and with fresh fruit and vegetables on offer daily, plus various protein items and omega 3 that you will find on our colourful and varied salad bar section our provision is one to be excited about.

We use wholemeal wherever possible within our menus and this also includes the sandwich provision for both afternoon prep and match teas! Some of our desserts are even made from half measure sugar recipes that we have specially created.

Part of my role here in the Sacred Heart kitchen that I enjoy most, is utilising the positivity captured within the feedback from our pupils and staff and I thoroughly enjoy fuelling our young and hungry minds.

## ***Another busy and exciting week at Sacred Heart School where learning is fun!***

As May is the month of Mary, the whole school celebrated a special liturgy in honour of Mary, the mother of Jesus and our mother too. The children brought in flowers that were laid at the foot of the statue of Mary in our Mary Garden and they were encouraged to spend a few quiet moments throughout the week for personal prayer. It was a beautiful display worthy of the love Mary shows for us all, as her children.

## **RECEPTION**

Another busy week in Reception. We have had a rather special visit from two hedgehogs (Holly and Henry) and enjoyed learning lots of interesting facts about them. In RE we have been learning about Pentecost and sharing the Good News of Jesus sending his special friend, the Holy Spirit. To help us understand the Holy Spirit, we made doves and created windmills to feel the power of the wind. We know that everyone has good news to share and enjoyed acting out different situations. We have been taking great care of our bean plants and many have now grown past the castle; our tallest one is 57cm! We look forward to taking them home and continuing to watch them grow. We are hopeful that perhaps one might produce a pod of broad beans!

## YEAR 2

Have had a very exciting week! We have planted pea seeds as part of our Science experiment, had a Class Liturgy outside in our Mary Garden and loved the hedgehogs that came to visit our school! What a lucky class!

## YEAR 4

Year 4 finished off their Anglo-Saxon topic by making these fantastic houses. They thought carefully about the materials that the Anglo-Saxons would have used such as straw for their thatched roofs. This week, we took the houses outside to create our very own village. Year 4 have also been having lots of fun in Forest School over the past few weeks. We have been on bug hunts, tried fire lighting, leaf printing and den building amongst other activities. There's certainly much learning to be done in the great outdoors!

# YEAR 6 - BOWLES

The boys and girls in Year 6 had an unforgettable weekend in the sunshine at Bowles. Everyone had opportunities to climb, ski, swim, kayak and test themselves, as individuals and as part of a team. They had so much fun and returned home tired but very happy. Many thanks to Mrs H-T who organised the trip and to those other adults who accompanied and visited the children over the weekend.
