# ***Another busy and exciting week at Sacred Heart School where learning is fun!***

## ***FOUNDATION STAGE***

Foundation Stage have been lucky enough to have another exciting visitor this week. We enjoyed listening to the equine vet, Mr Hopkins, and learnt lots of information about how he cares for horses. We then had a turn for ourselves, using bandages and syringes on a variety of horses. We also had a go at guessing where the horse's heart was, so that we could measure the heartbeat using a stethoscope.

To help get ready for the Queen's Jubilee, Reception Class have produced careful drawings of Buckingham Palace. They worked so hard on these and are very proud of their finished pieces!

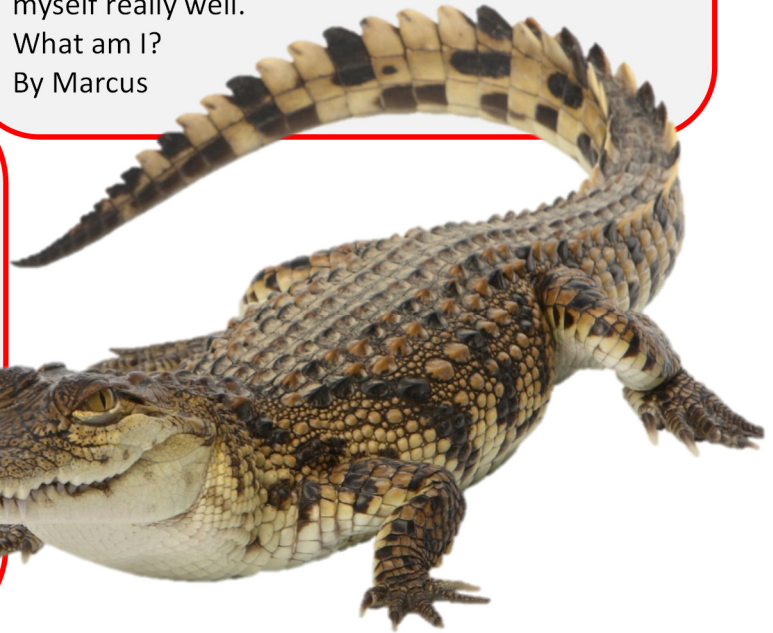

## YEAR 2

We've had such fun in Year 2 in English writing riddles! See if you can guess what animal is being described below...

I'm a carnivore and my hunting is excellent!  
I can hear you from here to there.  
Keep out of the gloom or I'll be your doom....!  
I can survive temperatures as cold as -50 degrees.  
What thick grey fur I have!  
I kill prey for every meal of the day.  
I hunt in packs because I'm better with my friends.  
I howl at the moon.  
What am I?  
*by Matty*

I have four legs and can be found near water.  
Watch out for my very sharp teeth!  
I have a very long spiked tail.  
I love meat because I am a carnivorous animal.  
I'm dark green and I have a toothy grin!  
I can hide in the swamp and I can camouflage myself really well.  
What am I?  
*By Marcus*

I like to play in the soft grass with my ball.  
I'm furry and drink water.  
I love to swim in ponds, chase cats and I have lots of energy!  
Don't step on my tail or I will chase you until I am tired.  
I bark very loudly when there's danger.  
Children love me.  
I chew squeaky bones and slippers.  
I begin with a 'p'.  
What am I?  
*By Lucy*

In PSHE we have been learning about simple First Aid: how to treat a burn, an asthma attack, a broken bone and what to do if someone is choking. This week we practised putting each other into the Recovery Position for someone who is unconscious but still breathing. Hopefully these skills will never have to be put to the test but they are an important life skill to learn.

## YEAR 4

Year 4 have been busy in Art lessons this week! They have started a piece of work to celebrate 'The Feast of Sacred Heart' and this has involved some colourful watercolour painting! They have also sketched and painted some lovely pictures of Mary to celebrate the month of Mary. Year 4 will be leading the mass next Tuesday so you will see their art displayed in church.
