	Anabel	

U11 MIXED HOCKEY TOURNAMENT @ Uplands

On Wednesday 13th February Sacred Heart U11 Team played at the Mixed Hockey Tournament at Uplands.

Team: Elena, Sophie, Avaani, Jack, Charlie A and Monty M

Final Scores:

Sacred Heart v Wadhurst Primary 0-1 to Wadhurst Primary

Sacred Heart v Stonegate 5-3 to Sacred Heart

Sacred Heart v Bricklehurst 1-2 to Bricklehurst

Sacred Heart v Frant 1-3 to Frant

Result came 4th overall but was awarded "The Team Spirit Cup"

HOT CHOCOLATE SALE FOR THE ROCKINGHORSE CHARITY

On Tuesday 12th February the School Council organised a Hot Chocolate Sale to raise money for a local charity, Rockinghorse. The School Council chose this charity as they were keen to help sick children in East Sussex and support them and their families whilst they receive treatment in hospital. A culinary feast was enjoyed by the School as hot chocolate was served alongside whipped cream and marshmallows – yum! A special thanks goes to Avaani Y6 who designed the beautiful poster for our fundraising event. A fantastic total of **£60** was raised! Thank you to the School Council for their efforts and to the school community for their donations.

THE BRITISH HEART FOUNDATION SPONSORED SKIP

The pupils have been working hard to improve their skipping skills this half term and will be demonstrating their newly acquired skills on Friday 8th March raising money for The British Heart Foundation. Sponsor forms will be sent home at the beginning of next half term.

Thank you for your support

PTA AGM – Wednesday 24th April 2019

All good things must come to an end! I think we all agree that we have benefitted from a brilliant PTA over the last few years, however Mrs Colliver has indicated that she would like to hand over the mantle and it seems likely that all committee posts may be up for a reshuffle.

The outgoing committee invites you to the AGM and election of new members on Wednesday 24 April, the first day of the summer term. That gives everyone plenty of time to consider how they would like to support the valuable work of the PTA in building community and raising additional funding for the benefit of the children.

The main fundraiser for the summer term is the Summer Fair and planning to make this another popular and successful event should probably get underway as soon as possible. If you would like to find out more about how you can help or what is involved please speak to any of the committee members: Mrs Colliver, Mrs Kellam, Mrs Christian, Mrs Cordner, Mrs Leary, Mrs Hughes (to name a few) or leave your name in the school office and we will ask someone to contact you.

We hope for a great turnout on the evening of the AGM as we show our appreciation of the outgoing committee and support for the new.

Another busy and exciting week at Sacred Heart School where learning is fun!

"Ticket pour L'Espace"

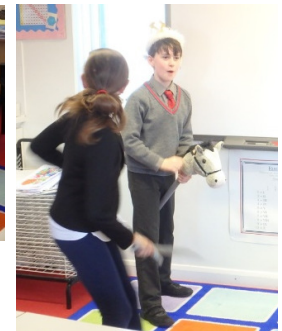

Key Stage 2 really enjoyed the visit from Onatti Theatre Productions this week. The play was an excellent and fun way to learn French and the children all enjoyed Jack's adventures and helped him to communicate with his French computer and fellow traveller. Well done to Mia Y6 and Charlie in Y3 who helped the Scientist.

Congratulations also to Bea Bea in Y3 who was an excellent companion to them on their space travels and joined in with the fun.

Year 5 have been learning all about Shakespeare and have been writing their own scripts for an abridged version of Romeo and Juliet or Macbeth. They created storyboards of the main scenes and then worked together in groups to write their own scripts and stage directions. Many children made their own props and then

brought in extra props and costumes from home for the final performances on Thursday afternoon. All the groups performed really well and showed an excellent understanding of the plays and how to work together to write play scripts. A special thank you to Monty in Year 5 who had to perform at the last minute in two of the plays due to the absence of one of the main characters!

In Reception we are learning how to become astronauts.

Astronauts have to be very clever.

Astronauts have to be physically fit.

Astronauts have to know how to be good friends.

Astronauts have to be able to speak in another language.

Astronauts have to know plenty about space.

Y3 Class Assembly - CAFOD
