- **Seren (Y3)** was awarded 'Player of the Week' at Rotherfield Football Club for listening, passing skills and team work.

### CROSS COUNTRY

What a morning we had for the Inter Schools Cross Country Festival this week! Blue skies and sunshine contributed to the festival atmosphere and the children's spirits were high. We took a small squad of boys and girls from Y4 and Y5 to the competition and all our runners acquitted themselves very well, completing the course without faltering or falling.

The Y4 Girls all finished within the top 25 with Lorraine coming in at 8th place and Olivia in 14th. Y4 boys saw a brilliant run by Dean to finish well ahead of the field in 1st place with good runs from Rupert and Felix H who finished in midfield.

The Y5s competed in the Y5/6 qualifier for county and ultimately national competitions with Josephine going through in 5th position and Sophie and Freya crossing the line together shortly after.

Milo ran with consistent pace in the boys competition to qualify in 3rd place. Digby finished strongly with Hector close behind.

Overall a great competition and special mention to the great sportsmanship demonstrated by our Y4 girls in particular who cheered and encouraged everyone regardless of school once their own race was over.

Qualifying for the Partnership Finals on 16<sup>th</sup> October: Milo and Josephine – Congratulations!

## SACRED HEART SCHOOL PTA

A huge thank you to the PTA and therefore to you all for the amazing donation of **£8,000** which signifies a fabulous year of fundraising for the school. We are currently deciding how best to spend the money on something visible which benefits the whole school and we have a few ideas to be advised shortly. I know we are so very fortunate at this school to have the support of an amazing and generous group of parents and the PTA which always seems to make parting with money just that bit easier and much more fun!

## *Another busy and exciting week at Sacred Heart School where learning is fun!*

On Thursday, Years 3 and 4 went to The Assembly Halls to see Horrible Histories Awesome Egyptians. The show was really entertaining with jokes, songs and facts aplenty! The children particularly enjoyed the second half which involved 3-D glasses. Lots of objects appeared to be flying off the stage at the audience and it really brought the show to life.

In Y3 Science, we have been learning all about Animals and the Human Body. We made almost life size skeletons which we labelled with common bone names and scientific bones names.

# Year 2

After reading the wonderful book, "John Patrick Norman McHennessy, the boy who was always late" we have been busy writing letters to Mrs Gabriel explaining why we have been late for school. We hope you like our fanciful excuses!

Dear Mrs Gabriel

I am sorry I am late, Mrs Gabriel, but a big, grey elephant stepped on my foot and hurt my toes! I went home to lie in bed with a bandage to make me feel better. Then I set off for school.

From Mae

Dear Mrs Gabriel

I am very sorry for being late. On my way here a big, hot volcano burnt my trousers so I had to go to the shops to buy a new pair! That's why I was late.

Love from Susie

Dear Mrs Gabriel

I am very sorry for being late. A brown eagle carried me away to its nest and then sat on me! I had to wait for it to fly away to find food for its babies so I could climb back down the mountain. It took me ages!

Love Sophia

In Maths we have been busy learning how to measure accurately with a ruler!

## YEAR 6 CLASS ASSEMBLY

This was a tricky parable to understand but, when we think carefully about the parable of 'The Workers in the Vineyard', we learn that the equal reward represents eternal life, a gift that God reserves for all. The parable is also about being called, being able to work in God's vineyard; doing his work on Earth. Being called by God is itself a reward but people who work only for payment will never understand the true treasure which God gives us.

The children in Year 6 have asked if proceeds of their cake sale could be shared between Nourish and Seahaven Food Banks and for the work of CAFOD which helps those in need to help themselves.

Key policies are available via the school website or on request from the school.
